

Patman Measure Passes House By Big Margin

Majority Large Enough To Over-ride Veto But Senate Is Doubtful

VOTE WAS 318 TO 90
Measure To Pay Veterans \$2,000,000,000 Is Considered Inflationary

Washington, March 22.—What the critics sometimes refer to as the Patman greenback bonus bill passed the house this afternoon by an overwhelming majority of 318 to 90 votes after a number of test votes, recorded yesterday and today.

Late yesterday, by a margin of 21 votes, the Patman bill for the immediate payment of the bonus with United States treasury notes was substituted for what many regarded as the more financially orthodox Vinson bill, which has the support of the American legion.

There was still some close voting today when the house defeated 207 to 204, a motion to substitute the Vinson bill for the one sponsored by Patman. Immediately thereafter the opposition to the Patman bill fell to pieces when a motion to substitute the Tydings-Andrews-Cochran compromise bill was rejected by a vote of 318 to 82.

Of the state delegation Messrs. Hancock, Weaver and Kerr voted for the Patman bill, other members of the delegation voted for the Vinson bill, while Messrs. Doughton and Lambeth were numbered among the 82 members who held out against the Patman bill to the last.

Messrs. Doughton and Lambeth explained their vote against final passage of the bonus bill today by stating that they were opposed to interference with the currency, and that the Patman plan would bring inflation.

Negro Is Convicted of Poisoning Woman

Asheville, March 21.—Robert Dunlap, 26, Hendersonville negro, must die in the electric chair for the poisoning of Pauline McMillan, sweetheart of whom he had tired, a superior court jury today decided here after almost two hours of deliberation.

"KID MILLIONS" EDDIE CANTOR'S BEST, NOW SHOWING AT LIBERTY THEATRE

Eddie Cantor, Ann Sothern and George Murphy in Samuel Goldwyn's "Kid Millions," released through United Artists.

Eddie Cantor's latest extravaganza, "Kid Millions," is now showing at the Liberty theatre, today and Tuesday. It is the most pretentious production in the line of musical comedies and one of the most "talked-about" pictures by the critics of today.

U. S. Will Stay Out Of European Fight

Roosevelt, It Is Said, Will Not Protest To Germany On Treaty Scrapping

Washington, March 22.—Germany was rebuked indirectly today by Secretary Hull for her defiance of the treaties limiting the reich's armaments.

The state department chief expressed disapproval of nations which circumvent treaties but avoided specific mention of Germany.

Hull's comment came not long after the chairman of the senate foreign relations committee, Senator Pittman, Democrat, Nevada, had expressed a personal opinion that "our government should not inject itself directly or indirectly into the controversy" in Europe over the German move.

Chiropractic Is Gaining Ground

One of the most rapidly growing professions in the United States today is the practice of chiropractic—or the treatment of diseases through the spine.

There are many people in this county who have taken these treatments and received the benefits which are almost universally obtained. These doctors do not claim one hundred percent perfection in their work, but they do claim that their science is rapidly approaching universal recognition.

When one stops to consider the part that the spinal column can play in the health of the individual it is not surprising that the results they work for are almost always obtained.

The human body is so constructed that all the nerves in the body are sent through the spinal column, even those that go to the eyes. The spinal column is made up of small bones, set one on top of the other. When one of these bones slips out of place, it cramps the nerves running through it. All the medicine in the world cannot put that bone back in place. Only a doctor versed in the art of chiropractic is able to perform such an adjustment.

The chiropractor works entirely with nature. By keeping the nervous system free from obstruction he is able to help nature in a way that was once impossible.

The results obtained by Dr. E. S. Cooper, Wilkes county's only chiropractor, have been little short of the unbelievable. As a general rule rheumatism, organs that will not function properly and a host of other diseases are conquered when nature is enabled to take her course freely.

Dr. Cooper states that the human body can be compared to a piece of machinery, delicate, sensitive and easily, in many cases, repaired. The body, he continued, will take care of itself, but someone must take care of its maladjustments in order to allow it to function properly. As a mechanic will adjust a machine, placing each part in perfect position, so does the chiropractor keep the spinal column in a position that there may be no obstructions to the body healing itself.

North Carolina Promised Fair Deal By Hopkins

Washington, March 22.—Harry Hopkins, federal director of emergency relief, assured Representative Graham Barden today that no discrimination would be made against North Carolina in the distribution of funds should the Cutting amendment providing \$40,000,000 for public schools be allowed to stay in the work-relief bill.

The senate yesterday adopted the Cutting amendment earmarking \$40,000,000 for public schools to be allocated according to "demonstrated needs." Because North Carolina had kept her schools open there was some fear that the state could not qualify to receive the funds. Administration leaders plan to knock out the Cutting amendment in conference, leaving aid to schools based on need of teachers.

Wife: "Do you know that they haven't kissed me for six weeks?"
Prof. (who is absent-minded): "Good heavens, whom have I been kissing then?"

Wilkesboro And Mountain View Emerge Champs

(Continued from page one)

out of 13 chances. The lineup and summary follows:

- Mtn. View-R. River (Girls)**
Mtn. View Roaring River
Haynes (17) (1) Ward
Rhodes (5) Holcomb
Pendry, R. (5) Elmore
Yale McNeil
Pendry, V. Benton, L.
Johnson, R. Blackburn

Substitutes: Mtn. View, Carlton and Wiles; Roaring River, Smithey and M. Benton.
Wilkesboro boys coming from behind to beat Millers Creek was no less interesting than the girls' final game. Millers Creek was leading 7 to 1 at the end of the half and held a substantial lead until the last four minutes of play, when W. H. S. staged a great comeback, turned the score to their favor and won by a score of 14 to 10. The lineup and individual scores follow:

- Wilkesboro-M. Creek (Boys)**
Wilkesboro Millers Creek
Garwood, J. (6) (2) Pierce, S.
Minton (3) (7) Eller
Linney (2) Reece
Wiles (1) Pierce, W.
Kinlaw (3) Cooper
Substitutes: Millers Creek—Faw.

Following the final games Fred Hubbard, president of the student body of North Wilkesboro high school, presented attractive trophies to the captains of Wilkesboro boys and Mountain View girls teams.

The tournament was designed to cultivate goodwill and sportsmanship between the eight high schools in the county and observers declare that it achieved its purpose and was a success from every standpoint. The tournament will be an annual affair and will be called the North Wilkesboro High School Goodwill Tournament.

Following are the individual scores of the semi-final games played on Thursday afternoon and Thursday night in the order they were played:

- M. Creek-R. River (Girls)**
R. River Millers Creek
Ward (4) (2) Church, P.
Holcomb (12) (7) Osborne
Eller (6) (4) Kilby
Reece (2) Church, M.
Pierce, W. (4) Faw
Cooper (4) Hunter
Substitutes: Roaring River—Ray (1), Church and Smithey; Millers Creek—Rhodes, S. and Rhodes, T.

- M. Creek-R. River (Boys)**
M. Creek Ro. River
Pierce, S. (11) (2) Blevins
Eller (16) (2) Tharpe
Reece (9) Pardue
Pierce, W. (4) Ray
Cooper (4) Segraves
Substitutes: Millers Creek—Faw, Lankford and Miller; Roaring River—Gayner (2), Staley and Foushel.

- Mtn. View-Mt. Pleasant (Girls)**
Mtn. View Mt. Pleasant
Haynes (19) Andrews
Rhodes (4) (11) Elledge
Pendry, R. (1) (4) Church, B.
Yale (2) Church, H.
Pendry, V. Church, V.
Johnson, R. McNeill
Substitutes: Mountain View—Johnson and Wiles.

- Wilkesboro-Ronda (Boys)**
Wilkesboro Ronda
Garwood, J. (6) (9) Bass
Linney (10) (3) Pardue
Minton (2) Bradley
Wiles (5) Byrd
Kinlaw (3) (2) Wellborn
Substitutes: Wilkesboro—Wiles, H., Garwood; Ronda—Swanson (1) and Roberts.

NEGRO BANDIT SLAIN AND 2 ARE CAPTURED

Lumberton, March 20.—Two of a band of five negro bandits—one of them wounded—were lodged in jail here today, another was in a morgue and officers sought the others after the gang became nervous and began shooting among themselves last night as they held up the R. H. Knight filling station near Red Springs, shooting William Beaton, its operator, in the arm.

Officers investigating various robberies in Cumberland, Roberson and Anson counties believed the five were responsible at least for the robbery of a filling station at Roseboro Monday night when H. E. Jarvis was wounded; for the holdup of a negro cafe last night near here; and for the robbery Sunday of a filling station near Fayetteville.

WOMAN PRISONER IS GRANTED CLEMENCY

Raleigh, March 21.—Governor Ehringhaus today paroled Mrs. Dorothy Hanes, 41-year-old woman convicted in 1929 in Caldwell county of the murder of her husband and given 15 to 20 years in prison.

Court officials who tried the case recommended clemency and said the woman's husband had mistreated her and made her live "in torment" before she killed him.

Agent Resident Of Buck Is Stricken

Mrs. Mary E. Church, Age 88, Succumbs; Funeral Will Be Held Tomorrow

Mrs. Mary E. Church, resident of the Buck community, passed away Sunday. Funeral service will be held at the family cemetery near the home tomorrow afternoon at two o'clock.

She was 83 years of age and leaves five children, T. C., R. M., Richard and Jesse Church and Mrs. Dianna Griffin, all of whom reside near Buck.

To Lower Price Automobile Tags

Raleigh, March 19.—Automobile owners got what their friends in the legislature say is a big break today when the senate by a vote of 23-21 adopted an amendment to the road committee's substitute tag bill bringing the rate down to 40 cents a hundredweight instead of the 50 cents recommended by the committee and making the minimum tag price \$7 instead of \$9 recommended by the committee. The present law provided a rate of 55 cents a hundredweight and a minimum of \$12.50.

The bill as amended passed its second reading but went over for its third reading on protest of Senator Hill, who joined with Senator Spence, chairman of the road committee, in leading the battle against the amendment. An effort will be made tomorrow, it is understood, to lift the rate by those senators who feel that the safety of North Carolina's biggest utility, its road system, is threatened by this encroachment on its funds.

The amendment was offered by Senators Johnson, Williams (Republican), Hurley, Swarngen, Gibbs (Republican), Lee, Dunn and Carson.

Senators voting for its adoption were: Blanton, Browning, Burrus, Carson, Dunn, Gibbs, Grady, Griffin of Franklin, Hurley, Johnson of Duplin, Lee, Mitchell, Nixon, Powell, Shute, Steele, Summersill, Swarngen, Teague, Thompson, Watkins, White and Williams.

Sales Tax Subject Of Revenue Bill With No Exemptions Passes House

(Continued from page one)

reference to public schools from the title of the tax. That of Seattle was designed to make mandatory use of any surplus over school appropriations for raising teacher's pay.

An amendment similar to that of Scholl changing the title was adopted. Another, the only amendment which changes the bill from the administration's measure was adopted.

Offered by Representative Uzsell of Rowan, the amendments lifts the sales tax from used automobiles which had been taken

COMMON CAUSE OF BALDNESS

One of the chief causes of premature grayness, falling hair and ultimate baldness is lack of circulation to the scalp. The proprietary sale and trial...
Thousands of men and women report almost instant relief in stopping falling hair, greyness and baldness on bald areas and in stimulating dormant and itching scalp.
