BING CROSBY AND FIELDS GO SOUTHERN IN SONGS AND COMEDY IN "MISSISSIPPI" FILM AT LIBERTY

"Mississippi" is a story of the romantic South in the days when ladies swooned and men duelled for entertainment. "Crosby, the sweetheart of Gail Patrick, declines to duel for his ladies love, is branded as a coward and forced to join Fields acting troupe on "The River Queen" in order to escape the taunts of his former friends. One of the best scenes of the film is written about Crosby's singing of the old favorite "Swanee" with the assistance of a forty voice negro

chorus. The other songs done by Crosby are four new tunes, including "Soon" and "Down by the river." "Mississippi" will be seen at the Liberty Theatre, Monday and Tuesday. The first March of Time issue comes on the same program with much promise of real entertainment for the film goers.

The management of the Liberty Theatre, feels with pride, that it has been fortunate in securing the rights to exhibit "The March of Time" reels.

The address by Mr. Eshelman was the last of a series of four sponsored by the Vocational Guidance Committee of the North Wilkesboro Kiwanis Club.

Mr. Eshelman spoke in a very interesting and instructive manner to the students and his address was received with rapt attention by the assembly. He stressed "deportment such that would make a good impression" and "thoroughness" in his address, which contained very timely advice and instruction.

"Men are more valuable than women."

"What utter nonsense; 'It's a fact. Every man has his price; but brides are given away."

LOST FAT Because She Heeded Doctor's Advice

And Didn't Listen To Gossiping Neighbors!

Mrs. H. H. Long of Clarinda, Iowa, writes: "Kruschen was recommended to me by my doctor. Weight when starting was 226. Weight now after 3 jars is 208. Doctor says I'm doing fine."

When Kruschen Salts is prescribed by reputable physicians to safely take off fat and greatly improve health—why listen to gossipers who don't want you to be slender!

Have a mind of your own—get a jar of Kruschen to-day (lasts 4 weeks and costs but a trifle). Take a half teaspoonful in a cup of hot water every morning—tastes fine with juice of half lemon added. If you don't lose 12 lbs. and feel years younger—money back. Your druggist sells lots of it.
