C. B. Eller Is Re-elected Superintendent Schools

Board Education Takes Oath Office

C. O. McNeill Is Re-elected Chairman in Session Held Today in Wilkesboro

Prof. C. B. Eller, superintendent of Wilkes county schools, was unanimously reelected for the next two years in a meeting of the Wilkes county board of education this morning.

C. O. McNeill, R. R. Church and D. F. Sheppard, present members of the board who received the highest votes in the June, 1934, primary, were reappointed in the omnibus bill in the recent term of the legislature. Oaths of office were administered this morning by C. C. Hayes, clerk of court.

After taking the oath of office the board went into session and reelected C. O. McNeill as chairman. Then followed the election of the county superintendent.

Supt. Eller will begin his second term on June 1. He was first elected county superintendent in 1933 and prior to that time was superintendent of city schools in Warsaw. During his two-year administration as head of the school system in Wilkes, it is pointed out, the schools have operated smoothly and have progressed in a splendid manner, considering the fact that eight-months terms have been maintained on small appropriations.

Election Case Is Continued

Wilkesboro Matter Set For Hearing Tuesday, June 4; Came Up Friday

Hearing on an order citing T. S. Miller, registrar in the contested Wilkesboro election Tuesday for contempt, was postponed until Tuesday, June 4, when the matter came up before Judge F. A. Daniels in Wilkes superior court Friday morning.

It is understood that the hearing at that time will also deal with the counting of alleged illegal votes, in which it was alleged ballots bearing the signature of Robert M. Brame, Jr., chairman of the county board of elections, were used contrary to a permanent restraining order which Judge Daniels issued to the effect that the ballots bearing the signature of O. F. Blevins, town clerk, were the legal ballots. Another order issued by Judge Daniels impounded the ballots cast and prevented a canvass of the votes.

Judge Daniels continued the matter until the June term of court because of his exhausted condition to continue the work of presiding over court. Judge Daniels is in advanced age, but was highly commended for the manner in which he conducted the court through the congested criminal docket.

In commenting on the election affair Judge Daniels stated that in his opinion "the board of election officials and the town board of aldermen had so complicated matters that no legal election was held."

Number Communicable Diseases On Decline; School Children Examined

Report of the Wilkes county health department shows that Dr. A. J. Eller, county health officer, and Mrs. Bertha Bell, county nurse, experienced a very busy month during April, although the number of communicable diseases continued on the decline.

The greatest number of communicable diseases reported was 20 cases of whooping cough. However, the disease was controlled by quarantine and there was no epidemic. With the advent of warm weather the disease has practically subsided, it is learned. One case of syphilis was the only other case of communicable diseases on the report for April.

The greatest activity of the department was the examination and inspection of 784 school children. A total of 290 Schick tests were given, 270 proving negative and 20 positive. Eighty-eight diphtheria immunizations were given and 14 were vaccinated against smallpox.

Accident Occurred 8 Miles East of Wilkesboro On Highway No. 60

DRIVER IS JAILED

Truck Driver Did Not Stop; Denies Any Knowledge of Accident

Roy Foster, age 16, was almost instantly killed early Saturday morning when a truck struck him while he was walking along the Boone Trail highway eight miles east of Wilkesboro.

Foster was picked up by a passing motorist but when he reached the hospital here he was in a dying condition. Examination disclosed that his skull was crushed.

Wood, whose truck was identified as the one that hit the youth, denied any knowledge of the accident and said that he did not know that his truck hit anyone.

Joyner was released after investigation of the accident but Wood is still being held to face charge of manslaughter.

Bill Passed By House Saturday

Said To Meet Approval of Republicans and Democrats In County

By provisions of a measure introduced several days ago in the senate and which passed in the house of representatives Saturday Wilkes county was exempted from the absentee ballot law and absentee votes will not be cast in any future primaries or elections in Wilkes.

The measure was introduced in the senate by Senator Joe Williams, of this district and was passed without opposition in both houses.

It is understood that the passage of the act abolishing absentee voting in Wilkes meets with the approval of both the Democrat and Republican parties.

It has been frequently pointed out that absentee voting has been the source of much controversy in primaries and elections and it is expected that the abolishment of absentee voting in the county will have little or no opposition.

Wilkesboro High Closes Wednesday

Wilkesboro high school finals will be held on Wednesday night, May 15, at which time Dr. Clyde A. Milner, president of Guilford College, will deliver the commencement address and diplomas will be presented to a large class of graduates.

The commencement program will be held in the Methodist church, due to the fact that the school auditorium has been condemned for use for public gatherings on account of fire hazards.

The commencement season began for the school on Friday night, at which time the junior pupils of Mrs. R. E. Prewette's music classes appeared in recital. A second music recital by Mrs. Prewette's music classes will take place tonight.

The class night exercises will be rendered in the school auditorium on Tuesday night, beginning at eight o'clock. Attendance must be limited to invitation, however, on account of the auditorium being condemned for large crowds.

The commencement sermon was delivered Sunday evening at the Methodist church by Dr. George G. Higgins, pastor of the First Moravian Church of Greensboro, in an impressive service.

Two Are Held For Robbery Attempts

Ira and Ralph Green Charged With Assault On Aged Man and Woman

Ira and Ralph Green, who live near Darby, are in jail at Wilkesboro facing charges of assaulting an aged lady and an aged man for the purpose of robbery.

The two Greens and one other youth whose name was not learned and who has not been apprehended are alleged to have entered the home of a Mrs. Walters near Darby on the pretext of getting a drink of water. It was in the home, it is alleged, that they almost smothered her to death with a sack and searched for some money without success. They are also charged with going to the home of John Benge, an aged man of the Stony Fork section, and calling him away from the house on the pretext of looking over some timber. When they had lured the aged man into the woods, it is reported, they beat him but ran without getting his money when he called his sons to his aid.

Both the young men in jail are said to have admitted that they threw a sack over the aged lady's head but will not make any statement that they assaulted either Mrs. Walters or the aged man for the purpose of robbery.
