Baptists To Adhere To Gospel Doctrine. Southern Convention Reaffirms Stand On Separation Of Church and State.

Memphis, Tenn., May 18.—Southern Baptists reaffirmed their adherence to that "fundamental New Testament doctrine,"—the "separation of church and state,"—and heard instructions to look upon members of other denominations as comrades as they concluded their 80th annual convention today.

"Religion must be kept free from all entangling alliances with government and government must not assume patronage, sponsorship or control over religion in any form," the convention agreed in adopting the report of its social service commission.

"We would enter our earnest protest against the violation of this principle by others, and especially against the appropriation or application of public funds to sectarian institutions of whatever name or order."

The convention also resolved to oppose "improper movies," the "liquor evil," war and lynchings.

State Gets \$11,964,601 Of Work-Relief Fund. Washington, May 16.—New York, Texas and Pennsylvania lead the list of states in amounts allocated to them today from the half billion dollars set aside from the works fund for highway, road, street and grade crossing elimination.

Of the amount, \$200,000,000 was recommended for new highway and street work, \$200,000,000 for grade crossing elimination, and \$100,000,000 out of the unappropriated balance of the Hayden-Cartwright highway act.

The \$400,000,000 for new highway, road, street and grade crossing work was distributed according to a formula laid down in the law calling for population, road mileage and railway mileage to be considered.

The distribution of the \$500,000,000 for North Carolina follows: Highways, roads and streets, \$4,720,137; grade crossing elimination, \$4,823,958; previously authorized \$2,420,470.

A new farm slogan growing in popularity throughout piedmont and western Carolina is: "At least one acre of alfalfa on every farm."

Kiwanians Have Varied Program

Wilkesboro Student Recited Essay On Home Ownership; Others Are Heard. Members of the local Kiwanis Club were entertained by a varied and delightful program in the luncheon meeting Friday at noon.

In a short business session a letter from a hardwood manufacturer was read inquiring about the possibilities of erecting a plant here for the manufacture of novelties and other small articles from hardwoods, which abound in this section. Mention was made of the fact that W. E. Jones was on his way to the Kiwanis International convention at San Antonio, Texas.

E. G. Finley was in charge of the program and he produced a copy of The North Wilkesboro News with a Thursday, December 1, 1891 date line. He read a number of items that told of the town in its earliest stages.

Attorney A. H. Casey introduced Miss Annie Lon Ferguson, student of Wilkesboro school. Miss Ferguson recently won first place in the district Keesler Memorial contest, sponsored by the Building and Loan Associations in the state. Miss Ferguson spoke her essay on the subject of "Home Ownership" before the club. She will compete in the state contest in Winston-Salem on May 27.

Mrs. R. G. Finley brought in the winners in the different groups in the recital by her expression and dancing classes. The winners who recited before the Kiwanians were Peggy Pearson, Patsy Ruth McNeill, Grace Frank Kilby and Gordon Reifs. Others who appeared on this part of the program were Billie Moore, Bertha Jean Myers and Helen Caudill with Miss Elizabeth Jennings at the piano.

Guests of J. C. Reins were J. B. Williams, Attorney A. H. Casey and Mr. Hillman. George Dousher was a guest of Cecil Goodwell. Miss Ferguson and Miss German of Roanoke, were guests of T. H. Reins.
