FRUGAL CO DUIGES SALUSS **RECORD SINCE 1929** Fint, Mich., Oct. 19.-Sales of Tanky, Bulek Motor Cars during the first 10 days of October set a record for any similar period of this month since 1929 and was

the largest 10 day sales since May, 1931, W. F. Hufstader, general sales manager of the Buick Motor Company, announced to-

Domestic deliveries during the period totaled 4,165 nuits, he has become "national" director" said, comparing with 2,819 in the previous 10 days and with 1,442 in the corresponding 10

days of October last year. The report covered the first full period following the an- mental expenses and the eliminouncement of the company's nation of any more bond issues 1936 models and was taken as an indication of the good public off, the organization will have reception of the new cars. Meanwhile, unfilled orders continued to pile up at the factory with a total of more than 20,000 on hand. Shipments to dealers are going on at an accelerated rate

Mr. Hufstader said, and factory production is being boosted to meet the heavy demand.

The executive said that the sales results following the introduction of the 1936 cars, as indicated in the 10-day report, exceeded any introduction of the past four years and was surpassed only by the new model announcement of 1930. The previous high 10-day period, he pointed out, occurred in May of 1931 at the peak of the spring selling season of that year.

"Buick activity today is more nearly paralleling that of the

peak years of the industry than at any time since 1929," he said. "This is particularly significant since the present trend is upoil ward whereas in that year it was the other way. The response to settled, and he did no relish the the 1936 Bulck introduction has

been enthusiastic and instantaneous."

Why don't you take Alka-Seltzer for Gas on Stomach, Headache, Sour Stomach, Colds, Fatigue, Muscular, Rheumatic or Sciatic Pains?

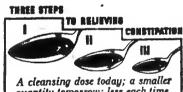

Alka-Seltzer makes a sparkling alkaline drink. As it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday all-ments, then by restoring the alka-line balance, corrects the cause when due to excess acid.
