In its monthly meeting the high school division of the St. Cecilia Music club was delightfully entertained last Tuesday evening by Arthur and Constance Lowe at the home of their parents, Mr. and Mrs. C. A. Lowe.

An interesting program on American music was given under the direction of the club counselor, Mrs. R. E. Prevette. Solos were sung by Misses Iva Faw and Agnes Pearson.

During the business session the club president, Miss Iva Faw, announced the purchase of a "Graves' Dictionary," an encyclopedia of music in six volumes, to be used by the members in their music study and preparation of program material. Eleven new members were welcomed into the club.

At the close of the program, Mrs. Lowe and daughter, Miss Beulah, served delicious refreshments in which the Halloween motif was accentuated. Favors were Halloween caps and candles. Amid the dim light of Jack-o-lanterns progressive ghost stories were told and other Halloween games enjoyed. Guests were Mr. James Larkin Pearson and Miss Elizabeth Neal.

Lady Took Cardui When Weak, Nervous

"I can't say enough for Cardui if I talked all day," enthusiastically writes Mrs. L. H. Caldwell, of Statesville, N. C. "I have used Cardui at intervals for twenty-five years," she adds. "My trouble in the beginning was weakness and nervousness. I read of Cardui in a newspaper and decided right then to try it. It seemed before I had taken half a bottle of Cardui I was stronger and was soon up and around."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

I FEEL FINE

Mothers read this:

A CONSTIPATED child is so easily straightened out, it's a pity more mothers don't know the remedy. A liquid laxative is the answer, mothers. The answer to all your worries over constipation. A liquid can be measured. The dose can be exactly suited to any age or need. Just reduce the dose each time, until the bowels are moving of their own accord and need no help. This treatment will succeed with any child and with any adult. Doctors use liquid laxatives. Hospitals use the liquid form. If it is best for their use, it is best for home use. And today, there are fully a million families that will have no other kind in the home. The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It is a doctor's prescription, now so widely known that you can get it all ready for use at any drugstore.
