Trenton, N. J., Dec. 16 .- From Beshears, of Parsonville, filled his death house cell Brano Richard Hanptmann sent a letter to Governor Harold G. Hoffman toawgred, adding as an after-thought, "-at the prison," day protesting anew his innosuch a suggestion to the other cence of the Lindbergh kidnapmurder and offering to submit

cently and reported "there was to a lie detector test to prove it. The condemned man wrote he considerable interest in it," hoped Dr. John F. Condon too **GOLDSBORO MAN** would submit to such a test, because the venerable "Jafsie" the ransom negotiations, he said, 'changed" his attitude on the case between the time he visited ed by an automobile here tonight Hauptmann in the Flemington jail and the trial a few weeks as he started to cross a street.

"When he was visiting me in my Flemington cell," Hauptmann wrote in his apologetic note, "he said all excited to the prosecutor. 'I cannot testify against this man'."

"I have a deep interest." Hauptmann told the governor, "in what kind of force made him change this saying."

The governor announced the receipt of the letter from the Bronx carpenter a short time after published reports described an alleged confession in which alleged confession in which Hauptmann was quoted as disclosing he and Isador Fisch, his business partner now dead, collected the \$50,000 ransom but were guiltless of the actual kidnaping. These reports were promptly denied by the governor and other official sources as groundless and untrue. closing he and Isador Fisch, his groundless and untrue.

A. Benge, to Miss Hazel Church, daughter of Mr. and Mrs. J. W. Church.

We are glad to state that Mr. Coy Church, who received a broken arm and nose while cutting timber, is getting along death sentence.

The court, the governor said, will probably convene a week or so before the week of January 13, during which Hauptmann has been condemned to die, to ponder

Reddy Kilowatt

definition of Economy!"

ALTHOUGH Reddy Kilowatt was not born in Scotland, Scotch have nothing on him when it comes to saving money and being thrifty in the home. Intelligent and progressive housewives are not only relieving themselves of household and kitchen drudgery and making their homes healthier and happier, but they are actually and substantially reducing their household budgets through the wise use of Reddy Kilowatt in their household duties.

T AKE the two all important matters of cooking and refrigeration for instance. With all of its advantages of coolness, convenience, the saving of time and labor, and other advantages. electric cookery costs no more than the old fashioned ways. And electric regrigeration, with all its advantages over ordinary refrigeration, actually costs less—much less.

THE cost of Reddy Kilewatt's service has had a constant trend downward since the power industry came into being. THE COST OF LIVING HAS SUBSTANTIALLY IN-CREASED DURING THE PAST TWO YEARS . . . THE COST OF REDDY KILO-WATT'S SERVICE HAS CONTINUED TO DECREASE.

> REDDY KILOWATT is the symbol of your electricasymics! Make him part of your plan for living. You will find you spend less and enjoy life more.
