J. C. Penney Company Store Here Wins Sales Banner For the State

Local Store Highest Among 26 in State in Percentage of Gain in Sales

The J. C. Penney company store in North Wilkesboro won the sales banner awarded to the Penney store in North Carolina which made the highest percentage of gains in business in 1935 over 1934.

A. L. Griffing, manager of the store, received the news Monday afternoon that he and his organization had won the banner over the 25 other J. C. Penney company stores in the state.

In addition to winning the sales banner the Penney store here experienced during 1935 the best year in its history of eight years in North Wilkesboro. Mr. Griffing stated, adding that these gains indicate better business conditions and a general expansion of the trading territory served by North Wilkesboro firms. Commenting on prospects for 1936 he said that the store of which he is manager has a better January record of sales so far this year than during the first half of January in 1935, another indication, he said, that the city is gaining ground as a trading center.

"We are thoroughly pleased with the reception given our values during 1935," Mr. Griffing stated, and added that "I like North Wilkesboro and Wilkes county very much, in fact, better than any section in which I have ever lived." Mr. Griffing took over the management of the store in October, 1934.

The local Penney store is a consistent user of advertising space in The Journal-Patriot and Mr. Griffing attributed much of the success of the store to advertising in this newspaper, also giving credit to the splendid work of the sales force during the year.

Mr. Curtis Johnson has opened up a store in this vicinity.

Bad roads and cold weather, which have held the people in for the past few weeks, seems to have relaxed their grip and schools, which had been stopped for the past few days will resume work today.

Mrs. Mary E. Byrd, who fell and broke her hip some three months ago is still unable to walk, or sit up very much.

One that wonders why highway No. 268 is so crooked can see the cause now—it will hold more mud.

Mr. Sim Jolly, formerly of this section, but now a resident of Alleghany, was a visitor in this section over the week-end.

It seems that during the long cold spell some one got cold, while others (or perhaps the same parties) got hungry, for there was an axe stolen from Mr. Roy Alexander's woodpile and some chickens from Mr. P. S. Alexander's chicken house.

It is rumored that a great many bees froze to death during the cold weather just passed.

Mrs. Texie Alexander, of Lomax, visited Mr. and Mrs. G. T. Brown, Saturday night.

FERGUSON, Jan. 14.—The Parent-Teacher Association will meet Wednesday night, January 15, and a good attendance is expected. A program has been prepared for the meeting.

Bad weather conditions have greatly handicapped the school here as well as all over the county, due mainly to the roads. The weather, however for the last few days has been ideal and is drying out the roads.

We are glad to learn that Mr. Hayes Walker is rapidly improving from a broken leg. The accident happened to him some weeks ago while cutting wood.

A number from here attended the funeral of Mr. John C. Steele at Grandin, Sunday afternoon. The funeral rites were largely attended from several adjoining counties and many tributes were paid this most honorable citizen, the account of whose death has already been recorded.

The local Grange meets Friday night, January 31st, at the home of Miss Janie Spicer, at which time officers will be elected for the ensuing year and other business of importance will be transacted. Also an interesting program is being prepared.

LET YOUR POCKETBOOK TAKE ITS PICK!

THEY'RE ALL BIG... ALL BEAUTIFUL... ALL BUICKS!

THERE was a time when the price tag told the main story about a car's quality. Low price, low quality—high price, high quality.

But Buick has changed that. For example, the sleek Buick Special at \$765* factory list has the same basic Buick quality as the lordly Limited at more than twice the price!

It has the same more efficient type of valve-in-head straight-eight engine. The same smooth, lash-free torque-tube drive. The same tiptoe hydraulics, solid steel "Turret Top" roof, "Knee-Action" gliding ride.

The difference is in size and capacity and finish. All Buicks are big in power and ability, beautiful inside and out, Buicks to the innermost fibre.

Bring your pocket-

book here and let it choose from four cars that range in price from \$765 factory list to \$1945*. Then look upon the best buy money can produce. Whatever Buick you pick you'll get longer life, more tasteful style, deeper comfort, a more satisfying car to own.
