OL. XXX, NO. 68 Published Mainleys and Thursdays

WPA Funds Used In Wilkes County Total \$145,877.85

Includes Funds to Be Ex-pended Through June 30 of This Year

\$70,000 FOR ROADS

Sixteen Other Major Activi-ties Carried Out; School Building Under Way

Director Jim Rivers, of the sixth WPA district, in which Wilkes county is located, announced today that this county had during the WPA program received a total of \$145,877.85 in federal funds. This money has already been spent, or is now being used to carry on projects in the county to give work to unemployed. Under the present program WPA should continue until June 30, according to Mr. Rivers, senate today plunged headlong and it is hoped that before Coninto a partisan controversy over gress adjourns suitable provision will have been made for a much 712 relief and deficiency bill, larger and better program for the balance of the year. Road building in Wilkes coun-

ty received a greater portion of the WPA funds, over \$70,000.00 being alloted for this work. Another major project was the construction of the Mountain View school, \$7,231.00 in federal money being used for this work.

In addition to the above projects the following were also operated under WPA: completion of school room, Wlikesboro; street improvement, North Wilkesboro; street improvement, Wilkesboro; street repairs at North Wilkesboro; construction school garage, Wilkesboro; Community House, privies, agricultural building, Roaring River street improvement, commodities, recreational activities, sewing room, mending and clerical.
