EIGHT FLYING MARKS RECAPTURED BY ITALY

Washington, Aug. 8.—Italy has recaptured eight aviation records from the United States, reports the Federation Aeronautique Internationale at Paris to the constant board of the National Aeronautic association here.

The records are for large seaplanes for long distances without load and for loads up to 4,408 pounds.

Pilots Mario Stoppini and Amelio Novelli drove their giant Cant. Z. 506 seaplane powered with three Fiat engines over the 1,000 kilometer course (621 miles) at an average speed of 194.651 miles per hour. And over the 2,000 kilometer course (1,242 miles) at average speeds of 190.954 miles per hour.

The feat greatly exceeds the speeds of the former American records which were 165.040 miles per hour for the 1,000 kilometers and 157.319 miles per hour for the 2,000 kilometer course. The former 2,000 kilometer record with and without load was held by Col. Charles A. Lindbergh, Capt. Edwin Musick and Boris Sergievsky, who flew a Sikorsky S-42 seaplane.

'American Tragedy' Wife Slayer Goes To Death In Electric Chair In Boston

Boston, Aug. 8.—(Tuesday)—The clergyman reached "He restoreth my soul" and witnesses heard a humming noise. The state had exacted its penalty. Sherman was dead.

The 240-pound former choir singer was pronounced dead at 12:09:17, seven minutes after he was led into the execution chamber. He died without a word.

On July 20, 1935, in somewhat the same manner as the leading character in Theodore Dreiser's noted novel, he overthrew a canoe in Lake Singletary, near Worcester, and shoved his wife, Alice, 22, who could not swim, to her doom.

He did it, he confessed, for love of another woman, 17-year-old Esther Magill, with whom he worked. Sherman shuffled to the chair. His eyes remained downcast. The Protestant chaplain of the prison, Rev. William Bradley Whitney, preceded the six-foot four-inches tall doomed man.

As the chaplain intoned the 23rd Psalm, "The Lord Is My Shepherd," Sutton's former church singer was strapped in the chair. He closed his eyes.

INDUSTRIES IN STATE SHOW DECIDED GAINS

Raleigh, Aug. 6.—Records of the state industrial commission, made public today, show 1,597 industries, each employing five or more persons have been established in North Carolina since May 1, 1934.

Ninety-seven industries, each employing at least five persons, have registered with the commission since July 1.

"I would estimate approximately 16,000 men and women have been given jobs by the 1,597 new firms," Associate Commissioner T. A. Wilson said. "The figures represent the general trend of better business apparent throughout the state."

Twenty-five men friends of C. W. Skinner of Trenton, Mo., gathered at his home recently to give him—as a prospective father—a baby shower. What's more, they brought refreshments.

Last of Big Time Kidnappers Enters Grim Prison For Life

San Francisco, Aug. 6.—Alvin Karpis, last of the so-called "big shot" kidnapers to go through the government's new crime-smashing machine, was locked up in grim Alcatraz prison tonight.

With him to the bleak rock in San Francisco bay went two of his erstwhile companions, Harry Campbell and Charles J. Fitzgerald.

An iron-barred railway coach brought the Karpis gangsters and 17 other federal prisoners—including three men convicted in connection with the Kansas City Union station massacre—into Oakland this morning after a three-day journey from Leavenworth penitentiary in Kansas.

Have Your Dogs Vaccinated!

The 1935 Session of the Legislature of North Carolina passed the following statute:

H.B. 174 CHAPTER 122 AN ACT TO PREVENT RABIES IN THE STATE OF NORTH CAROLINA.

The General Assembly of North Carolina do enact:

- SECTION 1. That the following definitions shall apply to this Act:
- (a) The term "dog" shall mean dogs of any sex.
 - (b) The term "vaccination" shall be understood to mean the administration of anti-rabic vaccine approved by the Department of Agriculture, containing not less than twenty per cent (20%) of fixed virus material, non-virulent and potent as shown by the required tests of the United States Bureau of Animal Industry.
- SEC. 2. That it shall be the duty of the owner of every dog to have same vaccinated annually by a rabies inspector in accordance with the provisions of this Act. And it shall be the further duty of the owner of said dog to properly restrain same and to assist the rabies inspector in administering the vaccine.
- SEC. 3. That it shall be the duty of the County Health officers of the several counties regularly employing Health officers, and in those counties where Health officers are not employed, it shall be the duty of the county commissioners to appoint and designate a sufficient number of rabies inspectors, at least one to each township in each county, to carry out the provisions of this Act. The said rabies inspectors so appointed to be approved by and to be under the supervision and direction of the Department of Agriculture. Provided that in the designation of rabies inspectors preference shall always be given to licensed veterinarians living in the township and the Board of County Commissioners is hereby authorized in its discretion to appoint any licensed veterinarian as rabies inspector in any township adjoining the one in which the veterinarian lives.
- SEC. 4. That the vaccination of all dogs in the counties shall begin annually on April first and shall be completed within ninety (90) days from the date of beginning the vaccination in the several counties.
- SEC. 5. That the Department of Agriculture shall give due notice through the newspaper of the county and by posting notice at the Court House and at one or more public places in each township of the County of the date on which the vaccination of all dogs shall be started in a county and it shall be the duty of the owner of every dog in said County to have said dog, or dogs, at either of two or more points in the township for the purpose of having same vaccinated, said points and date to be designated by the Rabies Inspector.
- SEC. 6. That the State Department of Agriculture shall purchase the proper rabies vaccine provided for in this Act and supply same to the rabies inspector at a cost of not to exceed twenty-five cents per dose, and a uniform metal tag, serially numbered and suitably lettered and to show the year issued. Said tag, together with a certificate, shall be given to the owner of each dog vaccinated by the rabies inspector, said tag to be affixed at all times by the dog to which issued, provided a certificate of vaccination issued by a registered veterinarian when presented to the rabies inspector shall be satisfactory evidence presented to the rabies inspector under this Act and shall entitle the owner to receive the metal tag and certificate of vaccination provided for in this Act. Said certificate shall be issued in duplicate and the rabies inspector issuing same shall forward the copy to the Department of Agriculture. Duplicate tags may be issued by notifying the rabies inspector only when certificate of vaccination is furnished by owner. The fee for duplicate tag shall be twenty-five cents (\$0.25).
- SEC. 7. That the Department of Agriculture shall notify the Sheriff of the county of the date when the vaccination of dogs in said county shall begin and it shall be the duty of the Sheriff and his deputies to assist the rabies inspector in the enforcement of this Act.
- SEC. 8. That when the rabies inspector has carried out the provisions of this Act as to Section five in all townships of the county, it shall be the duty of the Sheriff with the assistance of the rabies inspector to make a thorough canvass of the county and frequently thereafter to determine if there are any dogs that are not wearing the metal tag provided for in Section six. If such dogs are found the Sheriff shall notify the owner to have same vaccinated by a rabies inspector and to produce the certificate provided for in Section six, within three days. If the owner shall fail to do this he shall be prosecuted in accordance with the provisions of this Act. If the owner of a dog not wearing a tag cannot be found it shall be the duty of said officer to destroy said dog.
- SEC. 9. That the Rabies Inspector shall collect from the owner of each dog vaccinated, as provided for in Section five, not more than fifty cents for each dog, the same to be credited on the dog tax when certificate of vaccination is presented to the Sheriff or Tax Collector of said County. The Rabies Inspector shall retain for his services the sum of twenty-five cents for each dog vaccinated and remit to the Department of Agriculture the remainder of the fee, which shall be used by the Department of Agriculture to cover the cost of the vaccine and other expenses incidental to the enforcement of this Act. Any owner who fails to have his dog vaccinated at the time the Rabies Inspector is in the township in which the owner resides, as provided in Section five, shall have said dog vaccinated in accordance with Section eight and shall pay the Rabies Inspector the additional sum of twenty-five cents to be retained by him for each dog treated. The Department of Agriculture shall keep a record of the dogs vaccinated and the funds collected.
- SEC. 10. That it shall be the duty of the owner of any dog born after the annual vaccination of dogs in his county or any dog that was not six months old at the time of said annual vaccination to take same when two months old to a rabies inspector for the purpose of having same vaccinated. The fee charged in such cases by the Rabies Inspector shall not exceed fifty cents per animal.
- SEC. 18. That when an animal becomes vicious, and a menace to the public health the owner of such animal or person harboring or having such animal in his possession shall not permit such animal to run at large unless on leash in the care of a responsible person, or muzzled with a proper fitting muzzle, securely fastened to prevent such animal from biting a person or another animal.
- SEC. 23. That any person who shall violate any of the provisions of this Act or any provision of any regulation of quarantine established thereunder shall be guilty of a misdemeanor and upon conviction thereof shall be subject to a fine of not less than ten (\$10.00) dollars or more than fifty (\$50.00) dollars, or to imprisonment of not less than ten (10) days or more than thirty (30) days in the discretion of the Court.
