The PLAN of the CASH OFFER CAMPAIGN has been endorsed by the leading business men and women where it has been in use. It has been O. K'd. by the most skeptical as being the fairest and most equitable plan yet devised whereby a person may earn one of the handsomest cash awards during spare time in a short period. It offers a highly dignified method of securing in a few weeks, that which ordinarily requires months and sometimes years of labor and saving to acquire. Ambition and close application to a pleasant occupation during spare moments is all that one needs to succeed in a "Cash Offer Campaign." In fact, one is generally surprised at the ease with which rapid progress is made after they enter and determine to succeed.
