With \$25.90 lying on a table and a bunch of eager candidates to grab for it at a certain time, surely you would be the first one to grab and your competitors would not be far behind you, would they? The same thing applies to the extra cash prize this week. There is very little difference in the amount each candidate can collect this week. You are either going to win the extra cash by a few subscriptions or lose it by only a few. Which will it be? If you lose you will be sore at yourself for not ing a little harder. Let this be a warning. You have the same chance as the other fellow. The extra \$25.00 is yours-work and win it. Saturday will close the biggest week for a majority of the candidates-a close race it is.

In addition to the \$25.00 extra cash prize, there are eight extra cash prizes of \$5.00 each. Will you be one of the nine win-
