## Seek To Enlarge PTA Membership

Governor Issues Proclamation; Miss Moseley Chairman For City

Sponsored by the North Carolina congress of Parent-Teacher associations, the enrollment campaign in P.-T. A. will get under way on October 15 and continue until November 15.

Miss Rebecca Moseley is chairman of the membership drive here. She is a member of the city school faculty.

Following is the proclamation relative to the campaign, issued by Governor Clyde R. Hoey:

"It gives me great pleasure to commend the work of the North Carolina Congress of Parents and Teachers and to direct the attention of the people of this state to the Enrollment Campaign which will be conducted between the dates of October fifteenth and November fifteenth, 1937, for the purpose of increasing the membership of this great organiza-

"The Parents and Teachers organization is composed of fathers, mothers and teachers, representing the three great personalitles who come in contact and vitally affect the lives of the children and the youth of the state. The purpose of this organization is to afford an opportunity for parents to work together with the teachers for better unfronting our young people and that jointly and together they may arouse public opinion to support the best for the children in education, in recreation and in wholesome community surround-
