Democrats Will Hold Convention Saturday, May 14

Will Perfect Organization and Select Delegates To State Meeting

Democrats of Wilkes county will gather in the regular biennial convention at the courthouse in Wilkesboro on Saturday afternoon, May 14, two o'clock.

Call for the convention was issued several weeks ago by J. R. Rousseau, chairman, and C. O. McNeil, secretary of the county Democratic executive committee.

At the convention Saturday the county organization will be perfected, including election of a chairman and secretary, and delegates will be named to the state convention to be held in Raleigh on May 19.

Precinct meetings were held throughout the county on Saturday, May 7, at which time precinct organizations were formed and delegates were named to the county convention.

No contests arose in the precinct meetings and but few changes were made in precinct organizations.

Junior Baseball Season Will Begin Saturday, May 28

Eight Teams Divided Into 2 Leagues; More Funds Needed for Work

Second year of American Legion junior baseball in Wilkes county will get under way with opening games on Saturday, May 28. Legion officials said today following a meeting with managers of the eight teams entered for the county championship.

With but one exception the teams this year will be from the same communities as in 1937. Champion dropped out this year and was replaced by a newly organized junior team at Purlear.

The teams are North Wilkesboro, Wilkesboro, Clingman, Traphill, Moravian Falls, Boomer, Cricket and Purlear.

Under the plan adopted this year there will be two leagues with a play-off at the close of the season for the county championship.

Moravian Falls, last year champions, Boomer, Cricket and Purlear will be one league while the remaining four teams will form the other.

Practice is already under way in the communities where the teams are to play and Legion officials are expected to announce a schedule within the next few days. They estimate that more than 150 boys in the county will receive baseball training through the junior baseball project this year. Boys who had not reached their 17th birthday prior to March 31 are eligible to play. Legion officials said.

To launch junior baseball in Wilkes county and to maintain the league during the 1937 season cost the Legion post in the neighborhood of \$350. Much of the same equipment can be used this year but the project will probably cost over \$200 for the season. The post has been able to clear up indebtedness incurred last season but has only a small fund on hand. The organization will appreciate contributions from anybody who is interested in providing wholesome recreation and athletic training for boys of Wilkes county.

In each community represented by a team the Legion has secured the services of some responsible leader who is to manage the team and train the boys in baseball and the practice of sportsmanship.

Wilkes County Young Republicans Club Formed; Plan Precinct Clubs

A large crowd of Republicans from all sections of Wilkes county gathered at the courthouse in Wilkesboro Tuesday night to hear an address by J. Bennett Riddle, of Morgantown, chairman of Young Republican clubs in the state, and to organize a club for Wilkes county.

Following the address, which explained the organization of young Republicans and the value of such organizations to the party, a Wilkes organization was formed.

Arlon A. Triplett, of Wilkesboro, prominent younger member of the party, was elected president. Mrs. T. R. Bryan was named first vice president. Max Foster vice president for North Wilkesboro township and Jim Somers for Wilkesboro.

Attorney Ralph Davis is secretary. Mrs. Margaret S. Hayes corresponding secretary, Gilbert Foster treasurer and H. P. Eller was named as the club's member of the county executive committee.

N. B. Smlthey, Wilkes county Republican chairman, explained

that it is the purpose of the organization to assist in formation of precinct clubs and Republicans of the precincts will meet on Tuesday night, May 17, for that purpose.

T. R. Bryan introduced the speaker. Mr. Riddle's address was received with much interest. Short talks were made by C. H. Cowles, candidate for state senate; F. J. McDermott, J. F. Jordan and A. H. Hall, candidates for collector; Ralph Davis, youngest member of the Wilkesboro club; C. G. Hays, candidate for clerk of court; and C. S. Riddle, candidate for sheriff.

Mr. Riddle said that during the month of June the Young Republicans clubs will call for a roll call canvass of every precinct with a two-fold objective: to secure a good mailing list of people interested in their party and to get a small contribution for a campaign fund from each one contacted. He said that there is a great opportunity to elect Charlie Jonas to the United States senate and to make big gains throughout the state.

Depty Recovers Stolen Ham Meat

George Holland With Bloodhound Does Quick Work Tuesday

By recovering three stolen hams and landing two in jail charged with the theft George Holland, special deputy, did a piece of work Tuesday which has caused much favorable comment.

Holland took a bloodhound to the home of Charlie Goforth in Somers township Tuesday morning. Three hams had been stolen from the smokehouse the previous night. The hound trailed readily for about a mile and to a point on the road where it was indicated that a car had been parked. There the hound found the end of the trail but on the way had discovered one large ham hidden in the woods.

Neighbors helped the officer identify the tracks as being made by a small car (skeeter) owned by a young man who lived about a mile away. A visit to the home revealed that the car had left about two or three o'clock that morning.

Then began a job of trailing which led over several roads in the northern part of Iredell county and finally to the home of E. E. Robertson, where a party was in progress and several people were present. The officer said they were dancing to tunes of string music and were eating country ham, having consumed about half of one of the hams later identified as belonging to Goforth.

The officer learned that Roy Coleman and Carlis Nicholson were the occupants of the skeeter and had hauled the meat. Further investigation revealed that they had sold one ham at a store. It was recovered.

Coleman and Nicholson were lodged in jail at Wilkesboro to await trial in the next term of Wilkes criminal court.

McGlamery Faces Kidnaping Charge In Sunday Scrap

E. D. Church and Edmond Roberson Charge Kidnaping in Warrants

Charlie McGlamery, Millers Creek youth whose Sunday activities furnished allegations for six warrants, has been formally charged with kidnaping in two warrants, Wilkes officers said today.

McGlamery was arrested Monday afternoon after eluding a deputy Sunday in a foot race which twice led across the Yadkin river above Wilkesboro.

E. D. Church and Edmond Roberson in separate warrants lodged kidnaping charges against McGlamery. They said that he forced them at the point of a gun and with threats against their lives to carry him to several points in Church's car.

After being prodded in the ribs with the revolver, a .38-calibre gun, to such an extent that severe bruises resulted, they were able to spring a surprise attack on McGlamery and take the gun, which they threw into the Yadkin.

In a warrant charging assault Willard Davis alleged that McGlamery fired several shots at his car.

Hardin Davis lodged charges of assault with intent to kill against McGlamery. He charged that McGlamery fired several shots at him with the revolver.

Two women, Marie Minton and Lucile Minton McGlamery, charged McGlamery with assault with intent to kill. Minton said that McGlamery fired shots at her and the other woman charged assault.

Officers said that prior to Sunday McGlamery was under bond on two counts and that a deputy in the northern part of the county has three warrants which have not been served, making a total of eleven charges which McGlamery will face in the August term of Wilkes court.

People Asked To Observe Air Mail Week May 15-21; Pick Up Mail Here

Special Cachet Advertising North Wilkesboro Will Be On the Letters

PLANE IS COMING Will Pick Up Mail at Local Airport on Thursday, Next Week, May 19

J. C. Reins, North Wilkesboro postmaster, announced today that his office would have a special cachet which will be used on all air mail letters during National Air Mail Week, May 15-21. Postmaster Reins stated that all patrons of his office wishing a cover containing this special cachet should address their letters to the right of the center of the envelope in order that the cachet can be applied without defacing the address. The special cachet stamp will only be applied during Air Mail Week, May 15-21.

The local Postmaster stated that the goal of Air Mail Week is "One Air Mail Letter Each Day From Each Citizen," and it is hoped that the citizens of North Wilkesboro will add the additional three cents to all their mail during Air Mail Week, which will give a creditable number of Air Mail letters from this office and will, at the same time, advertise North Wilkesboro by having cachets distributed throughout the United States.

Postmaster J. C. Reins said that a plane will stop at the North Wilkesboro airport on Thursday, May 19, for the purpose of picking up outgoing air mail and it is especially desired that a large number of letters be ready for the outgoing air mail at that time.

The plane will arrive at 1:25 p. m. and will leave at 1:40. Those who wish to dispatch letters by the plane should have them in the postoffice by one o'clock. Mr. Reins also said that other postoffices may carry locked pouches directly to the plane.

Mr. Reins said that he had secured a limited number of envelopes which will be given free for air mail letters during air mail week.

It was also announced today by J. H. McKenzie, state chairman of the National Air Mail Week Program, that 131 towns throughout North Carolina have secured special cachets for use during Air Mail Week. Chairman McKenzie stated that the response and cooperation that he has received from the postmasters and citizens throughout the state is most gratifying. The response from postmasters and citizens in the smaller communities indicated to him that the public generally is becoming more conscious of the advantage of the use of the Air Mail Service in all sections of the state.
