Director B. & L. Association

W. H. H. WAUGH

Waugh Purchases Milling Plant Here

Manufacturer and Orchardist Is Also Valuable Board Member

W. H. H. Waugh was born in Ashe county, near what was then Gap Creek postoffice. He moved to North Wilkesboro in the year of 1908. His common and high school education was received mostly in Ashe county and partially in North Wilkesboro; his prep school education was received at the Appalachian Training School at Boone, afterwards he took a business course at Oak Ridge Institute. After finishing school his early work was in North Wilkesboro where he worked for a short time with the Horton Drug company and also for a very short period for A. M. Church & Sons, operators of a general merchandise store. He then secured employment with F. D. Forester & company as a salesman but only continued as a salesman for a very short time. He was then transferred from the sales department to the accounting department, where he kept the books of this company for a period of twenty years.

Mr. Waugh is perhaps one of, if not the best, accountants in Wilkes county. A few years ago Mr. Waugh became interested in fruit culture and purchased what is known as the Beuna Vista orchards, located on Brushy Mountains, which he operated very successful for several years, and only a few years ago he purchased the Gold Medal orchards, also on the Brushy Mountains, where he now lives. The two orchards combined make Mr. Waugh one of the largest, if not the largest, apple growers in this section of the state. His orchard business provides work for a large number of people. His operations are carried on in the most modern and up-to-date manner. Mr. Waugh was appointed receiver for the Wilkes Milling company a few years ago, although not knowing very much about the milling business, he carried on the operations of the milling company in a very successful and satisfactory manner and got the institution into shape where the receivership could be terminated. Recently Mr. Waugh purchased the property of the Wilkes Milling company and is today the owner and manager of this going concern, who are manufacturers of corn meal, flour and feed stuffs, as well as large dealers in coal. Wilkes county is proud of a citizen such as Mr. Waugh, and although like many residing here, he was not born in Wilkes but has made it his adopted county and is just as much interested in the county's welfare and advancement, if not more so, than some of the native born citizens. Mr. Waugh, prior to moving to the Brushy Mountains, was a member of the North Wilkesboro

city school board, is a past counselor of the Junior Order and past master of North Wilkesboro Lodge No. 497 A. F. & A. M., is a member of Wilkes County Fruit Growers' Association, and a director of the North Wilkesboro Building & Loan Association. His council is always wise and can be safely followed.

Like the other directors of the association, Mr. Waugh serves without compensation, but gladly gives of his time and ability in looking after the affairs of the association, and is one whose opinion is always respected by his associates. He has at many times driven from his mountain home on rainy evenings to attend a building and loan directors' meeting, which shows that he is very much interested and wants to do his bit in helping make the association stronger and better. The entire board of officers and directors of the association consider Mr. Waugh one of their most valuable members.

Boomer News Items In Brief

Mr. J. Gordon Watts, of South Bend, Mich., arrived Tuesday to spend a few days with his parents, Mr. and Mrs. Dodson Watts. Mr. Watts is employed by the L. G. Ballard Creamery there and we are glad to learn that he is making good.

Quite a number of people met at the school building last week to discuss or lay plans for a new school building, community house and play grounds. Enthusiastic talks were made by Supt. C. B. Eller, Mr. W. R. Craft, and Miss Harriett McGowan. We are proud of our community and the splendid attitude it has always taken in the education of its boys and girls. So let each one again pledge his support to this good cause and make our community a better place in which to live.

The Boomer baseball teams played a double header Saturday afternoon when they played Purlear and Cricket. The larger boys defeated the Purlear boys in an interesting game of 5 to 3. But the American Legion Junior team was defeated by "The Crickets" 12 to 0. A new grandstand has recently been constructed, which has added much comfort to the large crowds who attend these games.

Mr. and Mrs. G. B. Carlton motored to Roaring Gap Friday and also several miles on the Scenic Highway.

Mr. and Mrs. Carl Cummings, of Charlottesville, Va., spent the week-end with her parents, Mr. and Mrs. Arthur Greer.

Miss Louise Landis, of Winston-Salem, visited Miss Marjorie Howell Saturday and Sunday.

Mr. and Mrs. Walter Phillips and son visited Mr. and Mrs. Conrad Eller at Pores Knob Sunday.

Miss Hazel Staunton, of Henderson, is visiting her cousin, Mrs. M. A. Candill and family. She expects to return to Berea College in the fall.

Mrs. Parks Lackey, of Hidenite, who visited her son, Edward Lackey, and family and her sisters, Mrs. Lafayette and Pinkney Swanson last week returned to her home Sunday.

Rev. S. I. Watts has been confined to his bed several days on account of illness, but his friends will be glad to learn he is improving.

Mrs. Minslow Randolph and Mrs. Will Abernethy, Jr., of Newton, were visitors at the home of Miss Hassie Wall Friday.

Mr. and Mrs. T. R. Jones, of Summit, visited his parents, Mr. (Continued on page three)
