ver in her wedding pattern. Miss Louise Vyne Is Theatre Party Hostess

Miss Louise Vyne was hostess at an enjoyable theatre party Friday afternoon entertaining\_twelve guests at the Orpheum theatre. After viewing the picture "The Gracious Lady" staring Ginger Rogers the group went to the Wilkes Drug Store for ice cream and cake stables being decorated in nasturitums. Orange juice was served during the picture.

## **OutOf-Town Visitors**

**Entertained At Party** A most delightful social affair of the week was the informal party given by Mr. and Mrs. Chal McNeil, Mr. and Mrs. Tip McNeil, and Attorney and Mrs. A. H. Casey at the home of the former Friday evening honoring a num-ber of out of town visitors. Guests numbering around 45 were served a picnic supper in the recreation room after which various games were played including setback, rook, and bridge. The supper lad been planned for out of doors but due to the heavy downpour of rain was served in the

recreation room. Among the out-of-town visitors were Mrs. Ida Rector, Mr. and Patty, of Chula Vista, Calif., who are here on a visit: Mr. and Mrs. Clint Burgess, of Louisville, Ky. guests of Mr. and Mrs. J. Crawford, Mr. and Mrs. Wayne Evansville. Ind., who are here

visiting with relatives. Throughout the home roses. gladioli, snapdragons, and zinnias were used in profusion.

#### Mrs. Thomas S. Jenrette Feted At Bridge Party To compliment her sister, Mrs.

Thomas S. Jenrette. of Greensboro, Mrs. W. K. Newton entertained at a pretty bridge party day afternoon Mrs. Jenrette the former Miss Virginia Harris, of that he was walking to his home this city, was married in June in from the business section of the a quiet ceremony at Greensboro. Four tables were placed for dent.

Day as 0 Miss Jame Whicker Becomes Bride Of

Harry D. Kellett Greensboro, July 10 .-- "Mr. and Mrs. Joseph Hubert Whicker an nounce the marriage of their Harry Douglas Kellett, on Sunlon, South Carolina." The above announcements have just been issued in North Carolina.

The marriage was a private ceremony with Rev. G. E. Edwards, pastor of Main Street Baptist church, officiating using the ring ceremony. The vows were said at 2:30 o'clock Sunday after-

noon The bride wore a navy lace in Mexican colors. She used white accessories. Her corsage was of Sweetheart roses and baby's

breath showered with valley lilies. Mrs. Kellett is eldest daughter

of J. Hubert Whicker, North Wilkesboro attorney, and Mrs. Whicker. She was graduated from Greensboro college with the class of 1937. An outstanding student at the college both in scholarship and extra-curricular activities, she had membershin in the glee club, the honor society, the Spanish club, the Creative Writers' club, the International relations club and the Emerson Literary society. She served as student assistant in the English department

her sophomore year and as college correspondent for the Greensboro Daily News and the North Carolina Christian Advocate during her junior and senior years. She edited the Greensborn college paper. The Collegian. For the

Mrs. John Rector and daughter. past year she was a member of the Leaksville school faculty. The bridegroom, who is manager of the Greensboro branch of the Auto Finance company, is son M. of Mrs. C. D. Kellett, of Green-Eller and daughter, Elizabeth, of ville, S. C. He has been located in Greensboro for two years. He is a native of Fountain Inn, S. C. After a wedding trip south,

Mr. and Mrs. Kellett will be at home in Greensboro. PROBE MYSTERY

3. Wholesale prices as a whole 5. Whotes are not sensitive indicators. Cer-tain raw materials such as halles, at clinville, President of the Escela Lodge at Linville, President of the Scep-ic Circle, was elected Executive. the Vice President of the Tentie-Sea Trail Association, J. E. Coad, of Johnson City's Chamber of Commerce, was Recently, quotations on nearly ail.

of these commodities have jumped supecticularly. All the tother false upturns since the recession set in over a year ago have taken place while sensitive commodity prices were slipping to lower lev-

els. 4. Interest rates were perhaps the most famous of all revival indicators in the old days. But now rates on bankers' acceptances commercial paper, and the like, are frezen at ridiculously low levels. Rates charged to customers, however, still have a semblance

of a free market and are, theredress with etcn jacket trimmed fore, an indicator of business conditions. These rates for different sections of the country all touched their lows in February and March and since then have stiffened.

5. Bank deposits are a splendid forecaster of business. They usually turn six months or more before the business trend shifts. They began to dip well before business slanted downward last year and they have been steadily increasing since last December. Meanwhile, commercial loans have been falling for months. This indicates that inventories have been steadily reduced.

6. Steel operations are a sensitive barometer of industry. They rise and fall with business activity filled basket. His son. T. L. Wilmore closely than 90 per cent of the other industrial indexes. Since early June, operations have i mbe there proved modestly . Meanwhile, steel scrap prices, almost an infallible forecaster of steel operations have jumped more than 20 per

cent. 7. Cotton cloth sales are th favorite "caller of the turn" for many observers. Cotton cloth is representative of the inventory situation. When cloth purchasing starts vigorously, it means that in ventories must be replenished Therefore, it is highly significant that in the last few weeks sales of print cloth have far outstripped production. Moreover, inventory buying has already spread into other textile lines and into the hide, leather and shoe markets.

**Business Will Be Good** There are many other indicators which I could cite to back up my optimism. However, I have listed

the major signs of the turn. Just as important, of course, are the factors which will keep the business machinery going now that it has started again. Among them are:

1. Largest credit reserves and easiest credit rules in history. 2. Biggest crops in many years to be sold at fairly good prices.

4. Billions of dollars being spent for armaments, public

Il more visitors and users ov this highway than any one city palling alone Mr. Russell is a retired attor ney having had offices in May York as well as Wilmington. He

5. Prices of most products and wages of most workers have been reduced to a saner basis. Vast potential demand for 6. goods of all kinds-from shoes

These vital trends can give bus iness a great forward push this fall. The sharpness of the recession drop may, I believe, be equalled by an almost vertical up which it is expected that the jury ris to clean up after this recession as there was after the 1929-32 debacle. People have lost money, but few have been ruined. Business organizations are intact and all set to go. Washington wants good business. Hence, I am confident that the recession turn has come and that business should be better in the months ahead .-(Copyrighted article in Sunday' Greensboro Daily News).

are built with these patented and exclusive construction -----features:

Gum-Dipping, the Firestone patented process by which every fiber of every cord in every ply is saturated with liquid rubber, counteracts tire-destroying internal friction and heat which ordinarily cause blowouts. Nine extra pounds of rubber are added to every 100 pounds of cord.

Two Extra Layers of Gum-Dipped Cords under the tread, another patented Firestone construction feature, protect against punctures.

Scientifically-Designed Non-Skid Tread made of tough slow-wearing rubber, assures safer stops and longer non-skid mileage.

Now that Firestone gives you all of these safety and economy features at these low prices, you cannot afford to take chances with unsafe tires this summer. Come in today and join the Firestone Save-A-Life Campaign by equipping your car with a set of new Firestone Convoy Tires—the sajest tires that money can buy at these low prices.
