14 DIE IN CRASH Rio De Janeiro, Aug. 13.—James Harvey Rogers, eminent Yale economist, and five other Americans were among 14 persons killed today when a Pan American plane on an east coast trip which began at Miami, Fla., struck a dock crane in Rio De Janeiro harbor. Two passengers were rescued from the twin-engined baby clipper as it buried its nose on the shore while the other half of the broken plane splashed into the water.

STRANGE BABY DIES Manila, Aug. 14.—(Monday)—Baby Mary Heart Rafael, born just a week ago with her heart exposed on her chest, died today at 5:25 a. m. (4:25 p. m., Sunday, E. S. T.). The infant had been in a critical condition because of bronchial pneumonia, and doctors had practically abandoned hope of saving her life. Since her birth, the baby had been the center of scientific observation, with medical men undecided whether she would be able to survive the rare malformation.

STICK TO NEW DEAL Pittsburgh, Aug. 12.—The Young Democratic clubs of America went down the line for the new deal program in the 1940 campaign today in concluding their three-day biennial meeting. The convention adopted resolutions urging President Roosevelt to "press forward" with his "liberal" objectives and recommending nomination of candidates next year favoring his program. A new dealer, 28-year-old Homer Mat Adams, Springfield, Ill., was unanimously elected president of the Young Democrats for the next two years.

INVENTOR CRAZY South Nyack, N. Y., Aug. 13.—The socially prominent wife of a New York inventor was backed to death with a butcher's cleaver, her daughter was brutally attacked with a hammer and the inventor himself died several hours afterward tonight from razor slashes. The shambles that spread blood from top to bottom of their pretentious home overlooking the Hudson river from the Palisades was attributed by Rockland County District Attorney George V. Dorsey to Ralph Raymond, 58, inventor for the Bell Telephone laboratories in New York city. He recently had visited a doctor for treatment of a nervous disorder.

RAYBURN FOR GARNER Washington, Aug. 12.—Representative Sam Rayburn, who as majority floor leader has piloted new deal legislation through the house for three years, endorsed Vice President Garner today for the 1940 Democratic presidential nomination. Rayburn announced his support of his fellow Texan in a statement issued in response to an inquiry from the Fort Worth (Tex.) Star-Telegram as to his stand. "I am for that outstanding Texan and liberal Democrat, John N. Garner, for the presidential nomination for 1940, believing that if elected he will make the country a great power." The statement said.

SABOTAGE TRAGEDY Reno, Nev., Aug. 13.—Nineteen persons were killed and nearly 60 injured in the wreck of a speeding Southern Pacific streamliner, derailed last night as it sped over a small bridge 20 miles west of Carlin, Nev. A coroner's jury and railroad officials said the tragedy had been caused deliberately. While rescue crews dug into wreckage of the luxurious "City of San Francisco," seeking more dead or injured, railroad investigators said they found definite evidence the tracks had been tampered with, derailing the train.

TO "CRACK DOWN" Washington, Aug. 13.—With complaints of violations of the fair labor standards act building up at a rate of approximately 1,200 per month, wage-hour Administrator Elmer F. Andrews has completed his program for a drastic "crack-down" on violators of the 10-month-old act. It was learned today. Reinforced by a \$1,200,000 appropriation, passed during the closing hours of Congress. Administrator Andrews has given the "go ahead" signal on the decentralization of the enforcement agency, headed by A. L. Fletcher, former North Carolina labor commissioner. Andrews is building up his staff of investigators, inspectors and attorneys for one of the most drastic enforcement drives since the beginning of the new deal era.

Albert Minton To Try His Boat Trip Again Next Year

Injured His Leg In Accident; Says He Can Go Over the Shoals In Special Boat

Albert Minton, Wilkes youth whose adventure cracked up on the rocks in the Yadkin last week, said today that he had plans for a new type of boat and that he intended to make the trip now here to the Atlantic on the Yadkin. Giving an account of his journey last week, Minton said that he had an accident at Shoals, N. C., wrecking his boat, losing his supplies and injuring a leg. When he stepped off the train here Thursday he was walking with a pronounced limp. "I have learned enough from this experiment to be able to 'shoot the shoals'. I have plans for a new type of boat. I will try the same thing next year—and make it."

To Open Highway 18 Tuesday Night If Weather O. K.

If weather condition permit, the task of treating highway 18 from McGrady to Laurel Springs will be completed and the road opened for travel by Tuesday night, it was learned today from the highway division office here. Work has been in progress for the past few days in treating the highway up the mountain from McGrady and over to Laurel Springs. While the road is closed through traffic is being detoured by highway 16 into Ashe county and from the New River to Laurel Springs.

A temperature of 100 degrees below zero, a lower temperature than any naturally occurring on earth, was recently attained by the duPont company. It will be used as one important factor in the making of synthetic rubber.

Sixteen Apples On Only 1 Twig

W. E. Horton, well known citizen of the Ferguson community, today brought to The Journal-Patriot office a very unusual freak in the form of 16 apples on one twig. He found the cluster on a tree on his farm. The apples, all of which were together, were about the size of average hen eggs and were well developed.

BEST GRASS Walter Pennington, of Ashe county, says the best grass in his pasture is near the no-grade terraces he has constructed around the top of a pasture hill.

'Nudity Show' Brings Police by Carload

It all sounded pretty awful when Boston police were notified by an indignant woman that a "shocking" display of nudity was taking place at the Russell Dorr home. A carful of husky cops sped to the scene to protect the community's morals—and found 11-month-old Bruce Hugbee Dorr taking a sun bath in his "birthday" suit. The police hastily ruled that Master Bruce could play in the sun, without clothing, any time he pleases. Mrs. Dorr has her own ideas about neighbors who complain.

Improvements For County Property Recommended

Grand Jury Makes Recommendations About County Home, Jail, Courthouse

The grand jury at the present term of Wilkes court submitted a comprehensive report to Judge Frank Armstrong, who is presiding over the term. The report as submitted by J. A. Jones, foreman, contained several recommendations relative to county property and a demand for a heating system in the courthouse. The report follows: We the grand jury beg to submit the following report: Number of bills examined, 92; true bills, 78; not true bills, 8; continued for lack of evidence, 6; presentations, 0.

We visited the T. B. hut and found conditions good, except the water system and recommend that something be done at once. We visited the county home, and we recommend that the water system be put in at once, and all straw ticks to be burnt up for they are full of bed bugs, and the plastering in the rooms needs repairing. We found 25 head of cows, 41 head of hogs, two horses, 20 mules, two bulls, eight calves well cared for.

We visited the state prison camp and found it in excellent condition. We visited the county jail and found it in a very unsanitary condition, on account of the plumbing system. We recommend that a new plumbing system and heating system be put in at once, and also that the windows be properly screened as it would be impossible to keep it in a sanitary condition due to the present condition. We visited the courthouse and find that the toilets down in the basement is in a very bad condition and we recommend it to be padlocked. We demand a heating system to be installed at once in the courthouse.

To Complete Stone Surface Of Road

Hoping To Have Hard Surface On Highway 268 Before Winter

Work of placing crushed stone surface on the new grade of highway 268 between this city and Roaring River is being carried on as rapidly as possible in order that the complete surface may be placed on the ten-mile section of highway before winter. About two more weeks will be needed to complete the task of laying the sand and crushed stone surface. Sand is being applied to the new grade first in order that the foundation will be more firmly bonded together. On top of the sand the stone, which is crushed at a quarry near the village of Roaring River, is applied and this must be bonded and conditioned before the black top, or hard surface, can be applied.

Highway 16 At Moravian Closed

Highway 16 between Moravian Falls and the Alexander county line at Killy's Gap was closed today for surface treatment. Highway officials at the division office here today predicted that the section of highway would be ready for use by Friday of this week if weather conditions permit satisfactory progress. Meanwhile through traffic is being detoured by way of Lenoir and over other existing highways.

White Cane Day For Benefit of the Blind Saturday

Girls To Sell Canes On The Streets; Project Sponsored By Lions Club

"White Cane Day" for the benefit of the blind and for charitable work in prevention of blindness will be observed in North Wilkesboro on Saturday, August 19, Grady Church, named as representative of the Lions club to head the drive, said today.

Girls will sell canes on the streets and each person will be asked a price of not less than ten cents for each cane, with the entire proceeds to be used by the club in its activities for the benefit of the blind in Wilkes county. Commenting on the drive, Mr. Church said that he had been informed that there were many in the county who are in desperate need of glasses but who do not have funds with which to buy them. He also stated that there are 11 cases in the county who must have operations to prevent blindness.

He explained that help for blind and prevention of blindness is one of the leading objectives of Lions clubs and that the club will appreciate all help in any way in making white cane day a success. Headquarters will be maintained during the day at Belk's store and any person not contacted by one of the girls who will be selling canes are asked to see Mr. Church at Belk's store.
