PLEADS FOR PEACE

Washington, Sept. 15.- Col. Charles A. Lindbergh urged America tonight to keep carefully mocracy abroad, we may end by losing it" here at home. "We must not be misguided by this foreign propaganda to the effect that our frontiers lie in Europe,' the famous flier said in an address prepared for broadcast by all major networks. "One need only glance at a map to see where our true frontiers lie. What more could we ask than the Atlantic ocean on the east and the Pacific on the west. * * * An ocean is a formidable barrier even for modern aircraft."

RUSSIA-JAP PEACE

Moscow, Sept. 15 .- Soviet Russia and Japan today agreed to an armistice in their "vestpocket" war on the troubled Manchoukuo-Outer Mongolia border in a move which some diplomatic quarters saw as a possible forerunner to a non-aggression pact. The agreement to end hostilities on the frontier between Japanese-dominated Manchoukuo and sovietized Outer Mongolia was announced of drunkenness and Green on through Tass, soviet official news charges of manslaughter and

With the largest crowd in its history in attendance the Great Northwestern Fair closed a successful exposition on Saturday night.

Total attendance figures for Saturday and Saturday night were estimated at 20,000.

The fair opened on Tuesday with school children's day and continued through Saturday night with the various features of the exposition gaining in popularity. Among the fair visitors were many people from counties adjoining Wilkes and from other parts of northwestern North Carolina.

The exhibits at the fair during the week were the subject of much praise from judges, authorities on various lines of agriculture and home life and from the spectators who went through the hall in steady streams.

Many paused to pay high compliment to the apple show, which was declared to be the largest and of best quality ever shown in the south, bigger expositions notwithstanding. Exhibits in all departments reflected progress on the part of producers.
