CAPTURE LIQUOR

Lenoir, Sept. 29.—A shipment of 3,696 pints of bottled-in-bond, tax-paid liquor was seized by county and state officers this week, Sheriff Felix Parlier announced. The shipment, one of the largest seizures made in this section, contained 154 cases of legal liquor.

BOY FATALLY SCALED

Wilson, Sept. 29.—Curtis J. Horton, two-year-old son of Mr. and Mrs. Pearly Horton, of Bailey route 2, who was critically burned yesterday when he fell into a tub of boiling water at his home, died at a local hospital today. The child backed out of a door of his home onto a porch and fell into a tub of boiling water his mother had fixed to clean the house.

MAN KILLED IN FALL

Graham, Sept. 29.—James A. May, 79, prominent farmer of Graham, route 2, died tonight in a Burlington hospital of injuries he received last Monday when the mule which was drawing his buggy ran away. Mr. May was riding near his home, it was reported, when a school bus passed by. Children in the bus shouted at him, it was said, and the mule became frightened and ran from the road. When the wheels of the buggy struck a ditch, Mr. May was thrown out. He suffered head injuries.

UNUSUAL GARAGE FIRE

Salisbury, Sept. 29.—Two brothers—LaMonte and Charles M. Coggins—are at the Rowan Memorial hospital in the same room, as a result of a freak accident here at a garage. LaMonte Coggins is a painter and body man at the garage. He was working with a welding torch when a rubber mud guard swinging from a fender caught fire. He called to a garage helper to throw water on the blaze, and the helper threw part of a bucket of gasoline on the blaze instead. This ignited the welder's clothing, as well as making a big blaze out of a small one.

Wilkesboro Beats Mocksville 7 to 6

High School Teams Play On Almost Even Grounds On Friday Afternoon

Wilkesboro high school's football team defeated a fast Mocksville eleven at Wilkesboro Friday afternoon 7 to 6 and gave promise of rounding into a good high school team as the season progresses.

The first quarter was played on about even terms but the second was decidedly Wilkesboro as the Ramblers outplayed the visitors and scored what looked like an easy touchdown and extra point.

Both teams put on aerial bombardments with varying success. Mocksville came back strong in the third quarter to score a touchdown but the line plunge for extra point failed miserably.

Wilkesboro's score came a few plays after a Wilkesboro player had intercepted a Mocksville pass. On the touchdown play, a smart piece of high school football, Adleman passed to Bouchelle, who lateraled just as he was being tackled about the fifteen-yard stripe. Linney took the lateral and went over easily. By faking a kick the pass play from Adleman to Bouchelle for extra point was carried out without much trouble.

Mocksville's marker came in the third period after a pass straight over the line landed in an end's hands a few feet from the goal line. Two line plays put the ball over by inches.

Bouchelle and Linney were outstanding in Wilkesboro's ground offense while Adleman was good at throwing passes.

Both teams appeared to be a bit dumfounded by opponents' passing attacks and were weak on pass defense.

Wilkesboro will play Cleveland at Wilkesboro on Friday afternoon this week.

Class Meeting To Be Held Friday

The young men's Bible class of the Wilkesboro Baptist church will have a business meeting Friday evening, October 6, 7:30 o'clock, at the home of George Johnson. All members are urged to attend.

Number Breakins Solved By Arrest Youth On Sunday

Wesley Shelton Anderson Confesses To Breaking Into Three Houses

A series of breaking and entering cases was solved here Sunday morning by the arrest of Wesley Shelton Anderson, a youth of the Oakwoods community, police Chief J. E. Walker said here today.

Anderson, age 16, was found by Policemen Keller Eller and Harold David at three a. m. Sunday in Tomlinson Department store building, from which he had already carried or thrown a quantity of clothing valued at over \$50. He entered the store by a back window.

Chief Walker said that Anderson had confessed to entering Boone Trail Motor company on the 15th of September, where he is alleged to have stolen a battery and keys. The stolen keys were found on Anderson when he was arrested.

He also confessed to entering R. & O. Grocery store on the night of September 25, where four cartons of cigarettes and about 100 pennies were taken.

Police said that Anderson had spent three years in Jackson Training school as the result of a similar offense a few years ago.

Donkey Baseball Entertains Many

Large Crowd Gets Plenty Laughs When Kiwanians and Lions Play

A large crowd was highly entertained on Friday night when the Kiwanians and Lions played a baseball game astride donkeys. Many howls of laughter went up as prominent men of the city tried valiantly to play the game and the burros determinedly tried to keep them from getting any place.

The Kiwanians' team, picked by Captain J. C. Reins on the basis of their understanding of a mule and absence of fear of Lions, got the biggest end of the 7 to 4 score in the hilarious affair.

The event was decidedly successful from every standpoint and about \$50 profit was realized, which was turned over to the school milk fund to furnish milk for underprivileged and undernourished children in the city schools.

One out of every thirty persons is left-handed.

Fatherly Advice

Professing himself ready to fight as his father did 21 years ago, Alvin C. York Jr. wants to join the navy. Sergeant York, who captured a German machine gun company single-handed during the World war, is showing his old tunic to Junior. The sergeant thinks the boy's place is in the infantry, however. "The time to hit," young York declared, "is while the hittin's good."

These will start at Fayetteville on Wednesday, October 4, and end at Asheville on Friday, October 20.

These meetings will develop plans for the part these areas will take in the effort to raise \$200,000 before November 6, so that the Baptist Hospital in Winston-Salem can give the "Go ahead" signal to contractors to build an extension that will double its size, and enable it to work hand in hand with the new medical school that Wake Forest College is to erect on the hospital grounds.

The state-wide campaign outside of Winston-Salem will culminate on Sunday, October 22. There will be a ten-day intensive period in the Winston-Salem part of the campaign between Thursday, October 26, and November 6. About 600 volunteer workers will solicit funds in Winston-Salem alone. Allies Determined As War Plans Continue

As Germany Recoups World War Losses

Maps show how Germany's expansion the past five years has created a nation far larger than the Kaiser's pre-war empire. Principal World war losses were Alsace Lorraine, to France; the Polish corridor, Posen and Upper Silesia to Poland; Danzig, which became a free city, and the Rhineland, demilitarized. All but Alsace Lorraine have now been recaptured, although Polish seizures are not recognized and therefore not shown on the 1939 map. Germany has also seized Austria and most of the former Czechoslovakia. Germany is still below her pre-war size, however, because all foreign colonies were confiscated at Versailles.

Britain Calls For 250,000 Additional Men For Service

Fierce Air Battle Rages Over Western Front; Big Drive Expected

London, Oct. 1.—Three British planes were shot down and another made a forced landing in a "great air battle" over German's Siegfried Line on the western front in which the British planes were outnumbered three to one, the government announced tonight.

The squadron leader of the British planes and his gunner, left alone to face the 15 German Messerschmidt fighters, were said to have carried on the air battle and to have brought down two of the German planes. The ship's navigator meanwhile, was wounded in the forehead.

The battle, lasting 35 minutes, was fought over "the most strongly defended part of the Saar" sector.

The ministry of information said the squadron leader "flew on" to finish the job and held to the course previously set for the reconnaissance flight.

QUARTER MILLION DRAFTED

London, Oct. 1.—Great Britain's king summoned another 250,000 men to the colors tonight as his first lord of the admiralty, Winston Churchill, boldly declared the European war would end only when the allied forces were convinced that Reichs fuhrer, Adolf Hitler, "has had enough."

The admiralty chief, in an empire broadcast, declared "Russia has warned Hitler off his eastern dreams." But he added that he could not forecast Russia's next move, terming it a "riddle wrapped in mystery inside of an enigma."

Shortly before the Churchill speech, in which the admiralty head said Britons believe "we are entitled to the respect and good will of the world and particularly the United States," King George VI called to armed service all British men between the ages of 20 and 22 years "with certain exceptions."

240,000 Called Last June
Some 240,000 youths aged 20 were called up last June. Today's proclamation applies to those in the 21-year age group and those who have become 20 since June 5.

Churchill told the empire "it was for Hitler to say when the war would begin but it is not for him or his successors to say when it will end."

How soon the war ends, he said, depends upon "how long Herr Hitler and his group of gangsters whose hands are stained with blood and sticky with corruption can keep their grip upon the docile, unhappy German people."

Churchill said "three important things" had occurred in the first month of the war: "Poland had been overrun but will rise again; Russia has warned Hitler off his eastern dreams; and the U-boats may be safely left to the care and constant attention of the British navy."

October 4th Wilkes County Day In Winston-Salem; Many Will Attend

Representative Wilkes Citizens To Visit Neighboring City On 4th

Winston-Salem, Sept. 30.—Representatives of two of northwestern North Carolina's greatest counties—Wilkes and Forsyth—will gather in a demonstration of good neighborliness on Wilkes County Day in the Twin City on Wednesday, October 4.

This is one of a series of county day observances sponsored by the Winston-Salem Chamber of Commerce as a means of furthering goodwill and considering inter-county problems and matters of interest.

W. P. Kelly, executive secretary of North Wilkesboro's Commerce Bureau, accepted the invitation of President James N. Weeks of the Winston-Salem civic organization, and is organizing a delegation of representative Wilkes citizens to visit the neighboring city on the special day.

"The purpose of these county days," Weeks stated in his invitation, "is to give leaders of neighboring counties an opportunity to get together in an informal way to consider not some special project of immediate importance, but the many general matters in which both counties are concerned."

In connection with the day's program the visiting delegation will participate with Winston-Salem civic and business leaders in a round-table discussion.

Wilkes county visitors will be welcomed upon their arrival in Winston-Salem by city and civic officials with brief ceremonies at Hotel Robert E. Lee. They will be luncheon guests of the Civitan Club, and will have opportunity to visit the cigarette and Prince Albert Plants of the R. J. Reynolds Tobacco Company and other points of interest.

As a special educational feature of the day, two members of the Wilkes delegation have been asked to make talks about their county over radio stations WSJS and WAIR. J. R. Prevette, of North Wilkesboro, will speak over WSJS at 11:30 a. m. on Wednesday, and R. G. Finley, also of North Wilkesboro, will speak over WAIR at 11:45 a. m.

In connection with the radio talks, the Chamber of Commerce is offering a cash award of \$5 to the person who sends in the longest list of accurate facts about Wilkes county based on the broadcasts. The lists should be mailed to the Chamber of Commerce, Winston-Salem, to be in the hands of the judges by Monday. (Continued on page five)

Pine Limb Stays Green 9 Months After Being Cut

N. M. Dancy, a resident of Reddies River township, is responsible for this "Believe It or Not" story.

Mr. Dancy, in the city looking after business matters Saturday, brought with him a small pine limb which came off a small pine tree that was cut down nine months ago. When cut this limb fell on a wire fence and against another pine tree nearby, where it remained until brought to The Journal-Patriot office by Mr. Dancy. For some reason, this limb remained green instead of soon drying up and turning brown, and was in an apparently healthy condition when brought here Saturday.

Mr. Dancy would like to know why the limb remained green for nine months after being cut. So would many other people.

Kiwanians Hear Meeting Report

Delegates to the Carolinas district convention of Kiwanis held recently in Raleigh gave their report of the convention in the meeting of the local club held Friday noon.

J. B. Carter, A. H. Casey, W. E. Jones and T. E. Story were the delegates attending. They reported what was described as the best meeting of the district ever held. Pet's Peterson, of Chicago, and Governor Clyde R. Hoey were the principal speakers and both messages were highly praised.

In the meeting Friday Gordon Finley was initiated into membership in the club and was presented with the membership button by J. B. McCoy.

President D. J. Carter spoke of the directors meeting which was held on Thursday evening with W. K. Sturdivant at his home. He called attention to several committee reports and read the report of the attendance committee chairman, which showed that the club has averaged 88.5 in attendance this year, a gain of 3.8 over the corresponding period last year.

In the directors meeting many good reports were heard and discussed and a number of club matters were taken up. October 26 was tentatively set as the date for Ladies' Night.
