Scoutmaster Duncan told the guests how much he appreciated them being there. We had the party at the Legion Hut. We danced, played bingo, rook and many other things. We had around 40 people there. The Scouts were glad that Effner had a party, and they thought it was nice.

Clarinda, Iowa, March 15.—Lyman crawled painfully to the telephone.

"This is Dr. Burnett," the voice in the receiver said. "I want you to come up and look at my furnace. It's on the blink."

He had slipped, broken his leg, rushing from the coal shed to his house to answer the phone call.

The doctor obliged and set the leg.

### NEW REGISTRATION SYSTEM FOR ELECTIONS AND PRIMARIES

By W. A. LUGAS (Chairman State Board of Elections)

One of the far reaching changes in the election laws made by the 1939 General Assembly has to do with setting up a new system of registration in primary elections.

Heretofore, only the general election registration book has been used for both primaries and elections. Under the new law there will be separate registration books for primaries and elections.

The voter will be entered on the primary registration book of the party of which he is a member and hereafter only the primary registration books will be furnished the registrars for the primaries.

There will be either a complete relisting of voters or a new registration in each county in the state, as may be determined by the County Board of Elections of each county, at the meeting of such on Saturday, March 23rd.

In those counties in which a new registration is ordered the books will be open during the usual registration period before the May primary.

In the new registration the voter will be registered on the general registration book and also on the appropriate primary registration book in accordance with his party affiliation.

Independents will not be registered on any primary book.

In those counties in which a relisting of voters instead of a new registration shall be ordered, the Chairman of the County Board of Elections, with such assistance as may be necessary, will begin on April 2nd to transcribe to new general registration books the names of all persons shown by poll books to have voted in the elections or primaries of 1936 and 1938.

A list of all names on the old registration books, not shown by

been printed on new registration books, separate primary registration books will be made by the County Election Board Chairman.

A new registration must be held in all precincts where the poll books of 1937 and 1938 cannot be found.

### "Don't Go in There!"

All over North Carolina there are law-abiding beer dealers who merit public approval and patronage because they respect the privilege conferred by State, County or City beer permits.

Here and there, beer is being sold amid surroundings as distasteful to the industry as to you. The industry, in cooperation with law officers, is helping to eliminate these few law-violators.

Without customers, the "joints" cannot exist. YOU can help us "clean them up"—by dealing only with the respectable beer retailer who is on the side of law and order and decency.
