N.Y.A. Resident Training Center Highly Praised

This letter was received from Blanche Swanson, of Boomer, who is now enrolled at a N.Y.A. Resident Training Center located in Mecklenburg county. Any girl between the ages of 18 and 25 and has completed the 7th grade is eligible.

Youths desiring further information concerning these centers, which are operating in several sections of the state, may inquire at the county supervisor's office.

Box 554,

April 9, 1940.

Mrs. Maude Miller,
N.Y.A. County Supervisor,
Wilkesboro, N. C.

Dear Mrs. Miller:
I am writing to thank you for the wonderful opportunity you gave me by sending me to Sardis Resident Center. I find it difficult to find words to tell you how I really appreciate the training they offer us here. I feel that the training given me will be of great value in the future.

Following are a few of the things we have been doing that I especially enjoy:

First — The kitchen assignments. In this we have the opportunity to prepare and serve excellent food for fifty girls and four supervisors. Each girl stays on kitchen duty three months — one month for each meal.

Second — Salesmanship. This trains us to be sales ladies, efficient and capable.

Third — Dressmaking. Here we learn to design and make our own clothing.

Fourth — Elementary nurse training and child care. In this we are taught a few fundamentals of practical nursing.

Fifth — Waitress Training. This is a great help. When we have finished this course, we will be capable of getting employment along that line.

Sixth — Journalism. This helps us to write items and express our thoughts more clearly on paper.

Some of our personal duties are quite interesting and pleasant. For instance, the reporting to be done for our monthly school paper, "The Oak Leaflet." I am the Personality reporter and I find this a very interesting duty.

We also have something to do every night. Monday night, General Assembly; Tuesday night, Stunt Night; Wednesday night, Date Night; Thursday night, Sports; Friday night, Open night; Saturday night, Social night; Sunday night, Church.

We have a Glee Club, a Garden Club, and a few other clubs. We have sixteen members and two visitors present. Miss Cola Parker was co-hostess with Mrs. Doughton and at the close of the meeting, with the assistance of Miss Rosemond Doughton, they served refreshments.

The meeting opened by all joining in singing the theme song "Make Me A Challenge of Blessings". Mrs. Bob Turner occupied the chair during the business session and Mrs. Myrtle freeland, a visitor of class, gave the devotions, which were most impressive. Miss Doughton, the hostess' daughter, played a piano solo.

The meeting for next month is scheduled to be at the home of Mrs. Everett Tedder with Mrs. Turner as associate hostess.

Misses Hendren and Brewer Are Circle Hostesses

The First Woman's circle of the Baptist church met at the home of Mrs. M. L. Gilreath Monday evening with Miss Lunda Hendren and Miss Manie Brewer as hostesses. Miss Lillian Stafford was in charge of the business part of the meeting, the program was given by Miss Sallie Outlaw, and Mrs. Marion Shell taught the Bible study. Twenty-one were present and were served refreshments during the social hour.

Woman's Auxiliary Union Church Meets

Woman's Auxiliary of Union Methodist church met at the home of Mrs. L. T. Barnard Tuesday afternoon.

The meeting came to order by singing "When the Roll Is Called Up Yonder." Mrs. D. E. Turner gave the scripture, taken from 103 Psalm and Peter, 4th chapter, 12, 13, 19 verses. Mrs. J. E. Crysel discussed the life of Walter Lambeth. Mrs. C. W. Mahaffey led in prayer. Mrs. Karl Baker held the chair during the business session. Mrs. Baker and Mrs. Turner are to keep flowers in the church during April.

Ten members and two visitors answered to roll call. Mrs. D. E. Turner dismissed with prayer.

Mrs. Worth Blackburn and Mrs. D. E. Turner served delicious refreshments.

May meeting will be with Mrs. Worth Blackburn, May 14, 2 o'clock. All members and anyone interested are requested to be present.

Deanna Durbin In "It's A Date"

7th Picture Is Lavish

Heralded as Deanna Durbin's most colorful motion picture, "It's a Date," which has its background in Hawaii, will open Thursday at the New Orpheum theatre.

Marking another important forward step in the development of the Universal star into more mature roles, Deanna's seventh film finds her surrounded by a stellar cast.

Important Names

Kay Francis and Walter Pidgeon share major honors. Eugene Pallette, Lewis Howard of "First Love," Samuel S. Hinds, Cissie Loftus, Fritz Feld, S. Z. Sakall, famous European actor, Henry Stephenson, are others.

The producer responsible for Deanna's record of six consecutive hits, Joe Pasternak, assumes the same post for "It's a Date." William Seiter is Deanna's new director and Norman Krasna also joins the hit-making crew as the writer.

The story concerns a famous Broadway actress and her daughter, played by Miss Francis and Miss Durbin, who are offered the same role in a Broadway show. In addition they become rivals for the romantic interest of a Hawaiian pineapple planter, portrayed by Pidgeon.

Newcomer Featured

Deanna's boy-friend, played by Edward, also figures prominently in the complicated but ingratiating proceedings.

The singing star has four numbers, including a popular tune, "Love Is All," by Pinky Tomlin and Harry Tobias. Others are Schubert's "Ave Maria," "Musetta's Street Song" from Puccini's "La Boheme," and "Loch Lomond."

Harry Owens and his Royal Hawaiians are also in the cast to carry on the Hawaiian atmosphere for the colorful production. Owens and his internationally-famous orchestra, with hula dancers and the soloist, Kenny Allen, introduce two new numbers, "It Happened in Kaloha," by Ralph Freed and Frank Skinner, and "Rhythm of the Islands," by Eddie Cherkose, Jacques Press and Leon Belasco.

Photography is again by Joseph Valentine.

Let the advertising columns of this paper be your shopping guide. I do want to say that we have a soft ball team and some time soon we will have a tennis court. We have a real nice grill to roast weiners and cook on spring and summer nights.

I could go on telling you things about this place but I suppose I had better not write much more. I do want to say that we have four of the sweetest teachers I have ever met. I hope to be able to secure a pleasant and profitable position, and I expect to be able to keep a job when I have finished here.

I wish to thank you again for sending me and I wish to assure you that I am taking advantage of every opportunity offered to improve myself professionally and socially. Write me sometime when you have time. I will be very glad to hear from you.

Sincerely,
BLANCHE SWANSON.
