WAR FLASHES

The latest development in the European war has been the attempted invasion of The Netherlands and Belgium by German armies.

With the aid of British and French troops, the defenders have so far been able to keep the Germans near their borders but the major battle of the war is expected to get under way in earnest soon.

Meanwhile, President Roosevelt has reiterated his belief that America can keep out of the conflict.

High Team Here To Engage Mooresville

North Wilkesboro high school team, fresh from a 13-1 victory over Granite Falls last week, will play Mooresville at Mooresville on Tuesday afternoon and will take on Mooresville here Friday afternoon in the last game of the season.

The local team has made a wonderful record this year, in view of the fact that it is the initial effort at high school baseball here for several years. The local team had complete control of the situation in the game against Granite Falls and had the visitors clearly outclassed in every department of the game.
