A Bride And A Bride-Elect Are Honored In Wilkesboro

An outstanding social event of the week was the lovely party given by Mrs. Tal Pearson, Miss Bea Godfrey, and Mrs. Alene Godfrey Upchurch at the Pearson home Friday evening honoring Mrs. William Booth, of China Grove, a recent bride and who was a houseguest of Mrs. Pearson, and Miss Nina Jones, a bride-elect of the week. Miss Jones and Vance Maurice McBride are to be married Saturday in a formal ceremony at the Wilkesboro Baptist church.

A dessert course preceded the card game, in which two tables were made up for rook and three for bridge. A color note of green and white was emphasized throughout in the decorations and table appointments, while the tally cards were in bridal design. Miss Jones place was marked with silver bells tied with a satin bow. High and low score prizes in bridge were won by Mrs. E. M. McGill and Miss Annie Laurie Decker, and in rook the winners were Mrs. Raby Wood and Mrs. B. S. Miller. Both of the honorees were remembered with lovely gifts by the hostesses.

Scarcity In Food Threatens France; Rationing Urged

Paris.—Warning that a "serious scarcity" of food threatens in German-held Paris and the Seine region, French officials yesterday appealed to the civil population for self-imposed food rationing. The appeal was issued by the prefect of the Seine department, Achille Villet, and the Paris police prefect, Roger Langeron. "It is our duty to appeal to your reasoning as well as your patriotism," the appeal stated. "We don't want to alarm you but you must understand the necessity for discipline which must be freely accepted and rigorous. The administration has accomplished its duty in taking all the necessary measures to economize on existing stocks of food but this effort will be in vain if consumers and merchants do not help spontaneously."

Spending This Term May Total Twenty Billion

Washington, Aug. 5.—The budget bureau adding up of pyramiding defense outlays found today that pending appropriations and contract authorizations may reach this congress spending total above \$20,000,000,000. This figure would not only be the largest in peace time history but would be more than double the amount actually spent in the last fiscal year.

Miss McGoogan And Mr. Holler Wed In Formal Rites

Raleigh, Aug. 10.—On Tuesday evening August 6, Saint Paul's Presbyterian Church was the scene of a beautiful ceremony uniting in marriage Miss Harriet Lee McGoogan and Dan Forney Holler of Union Mills and Raleigh.

The vows were spoken before a background of southern simlax and long-leaf pine before which stood floor baskets of white glad-toll. The ceremony was performed by the Rev. Watt Cooper of North Wilkesboro, pastor of both the bride and bridegroom, assisted by the Rev. Malcolm P. Calhoun, pastor of Saint Paul's Presbyterian church. Prior to the ceremony Miss Mary Stewart McGoogan played "Nocturne from Midsummer Night's Dream," Mendelssohn; "Moonlight Sonata," Beethoven; and Salut d'Amour-Elgar. Mrs. Clarence Lee of Dallas, Ga., sang "At Dawning," Arthur John of Wilmington sang "Because" and "O Perfect Love."

To the strains of the "Bridal Chorus" from Lohengrin, the ushers, Clarence McArthur, Jr., of Charlotte, Robert Lewis of Lumberton, Edward Finley of North Wilkesboro and Willis Chapman of Raleigh, took their places before the altar. Next came the bridesmaids, Misses Mary Louise and Margaret McGoogan and Misses Elizabeth and Nancy Holler, kowled in quaint dresses of aqua and maize net and carrying nosegays of mixed flowers. Preceding the bride came the flower girl, little Sarah McGoogan Carpenter of Durham, who also wore net and carried a petite nosegay.

The bride entered with her father, Lee L. McGoogan and was met at the altar by the bridegroom and his best man, Carl VanDeman of North Wilkesboro. "Ave Maria" by Schubert was played softly during the ceremony and Mendelssohn's "Wedding March" was used as a recessional. The bride wore a gown of white net with a court train. The short puffed sleeves and the bodice were trimmed with an applique of white satin and seed pearls. An illusion veil fell in soft folds from the coronet which held it in place. A brooch of dainty forget-me-nots, the gift of the bridegroom, was worn on the bodice. She carried a white satin covered Bible with gardenias showered with lilies of the valley and white satin ribbon.

Mrs. Holler is the daughter of Mr. and Mrs. L. L. McGoogan of Saint Pauls, a graduate of the University of North Carolina and since graduation has been engaged in home demonstration work in Wilkes county of this state.

Mr. Holler is the eldest son of O. J. Holler of Union Mills, is a graduate of State College and is now connected with the State College Extension Service at Raleigh. Following the ceremony an informal reception was held at the home of the bride's parents, after which Mr. and Mrs. Holler left for a wedding trip of about ten days. They expect to live in Raleigh.

Canada Mayor Rebukes Draft Order, Interned

Montreal.—Mayor Camille Houde, chief executive of the largest city in Canada, was interned early today by order of the minister of justice.

He was arrested late last night under section 21 of the defense of Canada regulations. Friday night he created a sensation by announcing he would refuse to comply with the recently passed mobilization bill and asked the public to follow his lead.

Houde was picked up by officers at 11:15 o'clock last night and taken to headquarters of the Royal Canadian Mounted Police, where he was questioned for more than 40 minutes.

Then he left with a number of officers. Houde, with two officers, was in his own automobile and four automobiles of officers followed. Two motorcycle officers preceded the cars.

The internment order followed a conference between police officials and Minister of Justice Ernest Lapointe. They discussed Houde's Friday night attack on the mobilization bill.

The internment order said that Houde is to be detained "in such a place and under such conditions as the minister of justice may from time to time determine."

Internment could be for duration of the war or it might be for a shorter period.

Houde, as a Canadian citizen, has a right to appeal the order. He was taken to an internment camp from police headquarters, but the location of the camp was not disclosed.

The mobilization act provides for registration of every man and woman in the dominion, the men to be subject as needed to being called up for military service in the dominion. They are not subject to overseas service.

Houde, Friday night, issued a written statement to the press setting forth his opposition to the act. He said he would not register and added, "I ask the population not to conform."

France To Begin Paying Premium For Big Families

Vichy, France, Aug. 5.—One aim of France's new "family program" is to pay men in proportion to the number of their children instead of usual salaries on merit basis, Youth Minister Jean Ybarnegary declared today in an interview.

Declaring France was going to try to make her 1940 defeat a prelude to one of the "greatest victories a people ever won over themselves," the minister said France's mother will be artisans of this secret and magnificent triumph.

Ruth—Is it true that you sail on a girl in every port?
Jack Tar—How silly! Why, we don't even call at every port.

Roosevelt Asks Joint Control Of 'Columnists'

Washington.—President Roosevelt asked yesterday for close federal and state co-operation in meeting the threat of "fifth columnists," but urged that it be carried out solely through normal law enforcement channels.

In a message to a conference on law enforcement problems of national defense, Mr. Roosevelt mentioned "the cruel stupidities of the vigilantes," and observed: "The amateur detective soon becomes a fussy and malicious busy-body."

On the point of federal-state co-operation, he said "there are many places where joint control can be effectively worked."

"I have in mind, as an example," he said, "the enactment by Congress and the state legislatures of laws dealing with subversive activities, with seditious acts, with those things which slow up or break down our common defense program."

Here's what's happened to Gulf Gasolines

There is a scientific test, employed by us and by many of our competitors, that is used to determine the anti-knock value of a motor fuel. According to that test, the figure above represents the old GOOD GULF—famous as one of the finest gasolines in America!

Look at the NEW GOOD GULF! This is a fair comparative measurement of the tremendous improvement in this great gasoline. GOOD GULF has been so greatly improved that it now surpasses North Carolina specifications for premium fuel... yet it costs you not one penny more!

An equally sensational improvement has been made in GULF NO-NOX. This figure shows the rating of the old NO-NOX, then one of the super-fuels of its day and KNOCK-PROOF under all normal driving conditions.

Now look at the NEW NO-NOX! Tremendously better than even the old NO-NOX, it by far exceeds North Carolina specifications for premium fuels. Why not try a tankful of this super gasoline today?

Better try these Better Fuels!

BOTH GOOD GULF AND GULF NO-NOX EXCEED NORTH CAROLINA SPECIFICATIONS FOR PREMIUM FUELS!
