### Forester's Zoo Growing Rapidle

New Quarters Built For Increating Collection Of Interesting Animals

F. C. Porester is reconstructing his resit Forester's Nu-Way Service station.

New quarters have been erected for the rapidly increasing number of animals and the cages are so constructed to make it convenient for visitors to see all the animals.

Mr. Forester already has a very interesting collection of animals and others will be added soon. Included in the zoo now are porcupines from Maine, African lione, black bears, a bobcat from Smoky Mountains, Mexican armadillo, Chinese dragon, golden pheasants, ringneck pheasants, chuck quail and many others.
