Last Saturday a large crowd assembled in the school building at James Laurel Springs for the Doughton reunion, an annual affair for friends and relations of the Doughtons in Alleghany and sur-

rounding counties. Following a large picnic lunch which had been prepared for the guests, several persons present made short talks and the entire group joined in an occasion of good fellowship.

The reunion had been planned originally for Bluff Park, but rain on Saturday made an indoor

meeting place necessary. Included among those present were the following: Gov. and Mrs. R. A. Doughton, Mrs. S. J. Thomas, Dr. and Mrs. J. L. Hawthorne, James rison, Freelin Reeves, Claude Doughton, Mrs. T. J. Carson, Miss Emmalene Dean Higgins, Cecil Otis Brown,
