Hickory Host To Group Three Of Women's Clubs

HICKORY, Oct. 16.—Mrs. LeRoy Campbell, of Mooresville, was elected president of district 3 of the North Carolina Federation of Women's clubs at the close of its annual convention here today. She succeeded Mrs. Stella J. Price of Winston-Salem.

Mrs. R. G. Hafer, of Hickory, was chosen vice president, representing Junior Women's clubs in the district. Lenoir was selected for the next meeting in the fall of 1942.

Chief speaker today was Mrs. P. R. Rankin, of Mt. Gilead, state federation president. She described the role of the home in national defense as "the one remaining hope in a world partially devastated by war, harassed by doubts and enshrouded in fear."

"Whatever may be said about national defense, we all must agree that the first line of defense is sound homes," she declared, because they "will produce not only the man power but also the will power to defend America."

North Wilkesboro Woman's club won the senior attendance cup, with a 15 per cent attendance record. Lenoir had the highest attendance percentage of the junior clubs, according to members present and the number of miles traveled to the meeting.

Approximately 200 women, representing 16 clubs, registered for the meeting. Delegations were present from Mooresville, Lenoir, Hickory, North Wilkesboro, Granite Falls, Catawba, Morganton, Conover, Taylorsville, Jefferson, Banner Elk, West Jefferson and Wilkesboro.

Mrs. C. W. Beasley, of Cole-rain, second vice president and chairman of districts, explained

the mechanism of the North Carolina federation during the morning business session.

Those going over from North Wilkesboro were Mrs. Chas. McNeil, president of the local club, and Mesdames I. E. Pearson, A. B. Johnston, C. G. Poindexter, Prince Forester, F. C. Forester, R. T. McNeil, Ivey Moore, J. Q. Adams, Frank Tomlinson, E. E. Eller, Fred Emerson, W. E. Jones, Rufus Church, and Hoyle Hutchens. Attending from Wilkesboro Mrs. E. N. Phillips, president, and Mesdames G. T. Mitchell, J. B. Henderson, N. O. Smoak, Claude Doughton and C. H. Cowles. Mrs. Cowles, state chairman of American Citizenship, appeared on the program. Tarheel Farmers Are Asked to Grow More Oats, Barley

"Plant more oats and barley, and less wheat this fall," says the United States Government to North Carolina farmers, anxious to cooperate in the "Food for Freedom" campaign which has just been started on a nationwide basis. E. C. Blair, Extension agronomist of N. C. State College, reports that North Carolina's 1942 food and feed goals in the emergency program calls for 300,000 acres of oats, 40,000 acres of barley, and 365,000 acres of wheat. These production goals compare with 260,000 acres of oats, 20,000 acres of barley, and 498,000 acres of wheat harvested in 1941.

"We are asked," Blair said, "to double our barley acreage, increase our oats acreage by 40,000 acres, and to cut down on our wheat production 133,000 acres. A further reduction of wheat is asked in 1943."

The agronomist said there is little time to lose in making plans to meet these goals. "Unfortunately," he stated, "the past few weeks have been dry,

making it difficult for farmers to prepare their grain land. When the rain does come, do not lose an hour until your small grain is seeded."

Blair said that oats may be seeded until October 25 in the Piedmont, and until November 15 in the Coastal Plain

BUSY
While weather conditions have been favorable for picking cotton and saving hay in Wilson county, the lack of rain has dealt a blow to fall gardens and late crops, says Farm Agent J. O. Anthony.
