NUMBERS AND NUMBERS This is an age of numbers. Practically everything has a numper and people have several numbers each.

Keeping track of our numbers a big job. First of all our birth certificate, if we had one, would have

And there is our Social Securinumber, which looks like a com bination of the alpha t and most of the numerals. It is supnosed to be available at all times There is our driving license which has a number, and the

Then came the draft and we got a registration number and local order number. The card showing registration is supposed to be carried at all times.

must be carried at all

thing

The automobile business is a succession of numbers.. The title has a number, the motor a num her and the car make a seria number. There is the all-impor tant and very expensive license plate number and now we learn that it would be a good idea to record the number of each of of our tires, whoch would add five more numbers to the lengthy list

And about all these numbers are supposed to be on hand at any time anybody wants to know our numbers. NUMBERS OR NAMES

Numbers are getting to be so important that it may be we will just drop names. Can you imagine a news s'ory

At 8:30 on the 5th day of the month two cars, which we designate as number 1 going east and number 2 going west collided on

of an auto collision reading like

block 3 of street number 10. Car 1 was driven by driver 654321, accompanied by Mrs. 654321, who lives at 5432 on street number 8.

In car number 2 was driver 123456 and his son, 123456, Jr. who were in an awful big hurry o get to nowhere number 6.

Car 2, with motor number 142678 and serial number 12A 43235, and with license number 543-345, was badly damaged I's driver, 123456, suffered minor injuries and it was thought ver terbrae number 6 was fractured in his son, 123456, Jr.

Driver 654321 of car 1, was not hurt and Mrs. 654321 was hadly frightened but not

Officer number 9876 investigated the accident, recorded as number 8765, but no arrests were

DO YOU KNOW THE IT WOULD TAKE A HALF TON OF CANDLES TO PRODUCE THE AMOUNT OF LIGHT USED MONTHLY BY THE AVERAGE AMER-ICAN FAMILY? (A HALF TON OF CANDLES WOULD COST \$ 346 65 ELECTRIC LIGHT BILL FOR ONE FAMILY AVERAGES \$250 A MONTH.) What if we had to store away a half ton of candles every month . . . at a cost of \$346.65 . . . to give us the light we need! Maybe we haven't been appreciating the steady, brilliant light that electric bulbs bring us . . and at an average cost of \$2.50 a month which includes lighting, sweeping, ironing, toasting, radio, etc., and in many instances, electrical refrigeration. Tonight, check your home for adequate lighting and realizing the home for adequate lighting and realizing the low cost of proper light, improve those dark spots where better light has long COMPANY
