

HERE ON FRIDAY—
**Kiwanians Plan
Send Off For
Recruits Here**

**Club Members Say More At-
tention Should be Given To
Men Going Into Service**

In the Kiwanis club meeting Friday noon the question of the interest that is being shown to soldiers leaving for the induction center was discussed and a motion was carried suggesting that each group leaving should have the presence and sympathy of the club members and others interested. Following the discussion an offering was taken and funds were raised to furnish coffee and doughnuts to men leaving in Selective Service groups.

In this connection Paul S. Cragan read an editorial from a New York city newspaper calling attention to the value of band playing, flag flying and other forms of patriotic display, showing interest and enthusiasm in the war efforts.

Dr. John W. Kincheloe, Jr., read for the resolutions committee the resolutions of respect relative to the death of Judge T. B. Finley.

P. W. Eshelman, member of the Vocational Guidance committee for the club, presented the program. Miss Betty Gwyn Finley recited "Lady Stuart". Pat Hunt, Jr., rendered "The Men of Tomorrow". Both numbers by Miss Finley and young Mr. Hunt, students in the local high school, were well received. Paul Cragan, superintendent of schools, discussed the importance of letting the young people sit beside the men of affairs.

At the meeting Mrs. R. G. Finley was a guest of R. G. Finley. Sergeant Robert Bartholomew, Marine Corps recruiting officer stationed here for several days, was a guest of Paul S. Cragan. The program closed with the club singing the "Marine's Hymn".

**Body Of Burned
German Found**

Elkin, April 16.—The charred torso of a man, believed to be that of a German by name of Piermont, was found last Thursday in the ruins of a cabin near Sparta in which Piermont had made his home for the past 15 years.

The body was burned beyond recognition, the head and limbs having been consumed by the flames.

Immediately following news of the finding of the body, wild rumors were circulated. The old man, whose cabin and small farm were located in Grayson county, Virginia, just over the North Carolina line, had been known as the "old German" for years, and "they say" stories which were circulated had it that he possessed maps of the scenic highway highway in the powder plant at Radford, Va., and other information a spy might be expected to have.

However, an investigation of the rumors has disclosed that Piermont was considered a harmless character by the F. B. I., which made an investigation of him sometime ago. It was said that he did possess blueprints of the scenic highway, but that these blueprints had been discarded by highway engineers in the course of the construction of the mountain roadway. He was said to use the back of the blue paper on which to write poetry.

The old man was said to make a living by selling tulip bulbs, of which he had a valuable collection, and it was also stated that he had money in both a Florida bank and a bank in New York. Just how much, and where he got it is not known.

It was also learned that Piermont has a brother living in Berlin, Germany. The old man's property, it was said, was left to Grayson county, Virginia.

**Questions Answered By
State College**

QUESTION: How much wheat should be grown on each farm for home needs?

ANSWER: Three to five acres of wheat will furnish cereal and flour for the average family at much less cost than the cost of bought cereals and flours, says Miss Mary E. Thomas, Extension nutritionist of State College. A bushel of wheat provides approximately 600 servings—enough to insure a good breakfast cereal and other whole wheat products for an average family for a period of three or four months.

PROOF WANTED
"Why did Alice make such a fuss when Richleigh kissed her? Was she calling for help?"
"No. For witnesses."

IN THIS CITY—
**Moose Women
To Have Special
Meeting Tuesday**

The local chapter of the Women of the Moose is invited to attend the Home Making Chapter Night program, to be held April 21st at 8 p. m.

Mrs. W. F. Gaddy said her program would follow out the thought of the "Home Makes a National Defense Worker." Her program will be to better explain the importance of the Home Maker in the National Defense emergency program. The local chapter is particularly proud of the fact that it was from the funds of the women that a new scientific foods laboratory was established at Mooseheart, over three years ago, and since has served the general public as well as its own community. Its tested and approved recipes are now accepted and requested by home makers throughout the country.

Now that the women of the nation have been told that it is up to them to help maintain the national health of the people at home doing war defense work, and the children, our future citizens, the Women of the Moose are proud to be a part of such a defense program. The Women of the Moose are extremely proud of their home making slogan—"Vitamins for Victory."

A class of candidates will be initiated in honor of Mrs. Faye Hayes, the membership chairman.

**Home Alterations
Unaffected By Ban**

Home owners can keep their homes in good repair and even make small additions or alterations under the new federal restrictions.

Permitted is:
(1) Any new residential construction the cost of which does not exceed \$500. This would include the addition of a room, a slight enlargement of a house, or any other small alteration.

(2) Any new agricultural building which does not exceed \$1,000. Farmers may build feed barns, stables, tobacco barns, corn cribs or other outbuildings under this rule.

(3) Any new nonresidential building which does not exceed \$5,000—this includes commercial and industrial buildings, installation of sewers, paving of streets and other business buildings or public works projects of small size.

(4) Any new work already commenced may be completed, but the government rule for a job already begun is one in which material has already been physically incorporated into the structure.

In other words, if only the foundation has been dug the job would not have been commenced, but if part of the foundation had already been laid prior to the date of the order, it would have been started within the legal definition.

(5) Any repair or maintenance work necessary to preserve a structure, make it safe, or to improve its usefulness, may be made without any limitation as to cost.

**Questions Answered By
State College**

QUESTION: Why are peanuts so important in meeting the Food-for-Victory goals?

ANSWER: Because peanuts normally will yield three times as much oil per acre as cotton, and twice as much oil per acre as soybeans, says Dr. I. O. Schaub, director of the State College Extension Service. Vegetable oils are badly needed due to the loss of imports and these products from combat zones of the war. In an emergency, peanut oil can be substituted for other oils that are used in making explosives, antifreezes and medicines.

QUESTION: When is the best time to plant soybeans?

ANSWER: A planting calendar prepared by E. C. Blair, Extension Agronomist of State College lists April 15 to July 1 as the planting dates for soybeans in the Coastal Plain and Piedmont, and May 15 to June 15 as the soybean planting season in the mountains. Blair recommends that 15 to 45 pounds of seed be used per acre when planting soybeans in rows and one to two bushels of seed be planted when broadcasting the crop.

KNOW HIS HISTORY
Teacher (after giving lesson on Disraeli): "Who was the man who during Queen Victoria's reign, tried so hard to get the Suez Canal for England?"
Tommy (a film fan): "George Arliss."

"MOKEY" AT LIBERTY THURSDAY and FRIDAY

The story of a "real boy" brings a youthful cast of M-G-M players to the Liberty screen in "Mokey." Youngest is Bobby Blake, eight-year-old actor formerly featured in Our Gang comedies, and now promoted to his first feature-length production in the title role of the new picture. Dan Bailey, Jr. and Donna Reed, who aren't so awful old themselves, play Bobby's respective father and stepmother. Canine actor, Pal, also has a prominent part in the proceedings.

:-SOCIETY:-

**Union W. S. C. S. In
Monthly Meeting**

Woman's Society of Christian Service of the Union Methodist church met at the home of Mrs. D. E. Turner with 12 present.

Service opened with singing, "A Charge to Keep." Miss Winnie McLean had charge of devotions.

Those taking part on the program were Mrs. Bruce Baker, Mrs. Alfred Crysel, Mrs. J. Y. Ervin, Mrs. D. E. Turner, Mrs. Howard Queens, Mrs. J. M. Nichols and Mrs. J. R. Pierce. During the business session the society made plans to raise funds by selling flavorings, cleaners, and aprons.

Miss Winnie McLean dismissed with prayer. Next meeting will be with Mrs. J. C. Stokes at the parsonage, May 12, 2 o'clock.

The hostess assisted by Winnie Spears and Little Roger Owens served refreshments, carrying out the Easter nete.

**Wilkesboro Junior-Senior
Banquet Held Friday**

The annual Junior-Senior Banquet of the Wilkesboro high school was held in the library of the school building on Friday evening, with the spring note being emphasized throughout in the three course dinner, the program, the table appointments, and the decorations.

The evening's entertainment consisted of the following program: Spirit of Spring, Mary Sue Williams; Invocation, Supt. W. T. Long; Welcome Greetings, Alvin Sturdivant; Response, Ray Inscore; Dinner, (to the music of Jewel Howard, Hoke Steelman, and Gzelle Andrews; The Flowers Awake, Shirley Watson; The Frogs Trill, Marion Elliott, Louis Duke, Robert Dennis, and Brice Morrison; The Birds Sing, Edna Yates, Grace Martin, and Nancy Lee Yates; The Fairy Dances, Ruth Long.

Introduction of Speaker, Vaughn Jennings; Address, Ray Erwin; The Beatles Bite, Blanche Martowe, Don Culler, and Blecka Phillips; Contest, Floral Romance, by All; What Shall We Do? Louise Kennedy; Good bye Seniors, by Juniors.

**Many Apply For
Jobs On Island**

Approximately 200 have made application at the U. S. Employment service office here for jobs as carpenters and laborers on a construction job on an island off the Atlantic coast.

However, not all the applicants have passed the examination and not all have been released by their draft boards. Representative of the contractor will be here all week but those interested must apply not later than Thursday of this week in order for all arrangements to be made.

**District Meeting
Juniors Wednesday**

Bradley Dancy, district councillor of Jr. O. U. A. M., today announced that a meeting of district 7 of the Junior Order will be held in Yadkinville on Wednesday, April 22, 7:30 p. m.

State officers who will address the meeting include: Clyde L. Stancill, of Smithfield, state councillor; and George W. Wrenn, of Black Mountain, field secretary.

All councils in the district are asked to be represented and all Juniors are invited.

**Sugar Ration
Is Half-Pound**

**O. P. A. Announces Weekly
Sale Per Person During
First Two Months**

Washington, April 16.—Sugar sales will be limited to a half pound a week per person during the first two months of government rationing, the O. P. A. disclosed today.

Decisions as to future allowances will depend largely upon the supply picture, officials indicated, leaving the entire program flexible and subject to prompt alteration by the Office of Price Administration.

When plans to ration sugar were announced originally, O.P.A. said the weekly allowance probably would be 12 ounces. Since then increasing shortages of supplies forced a reduction to eight.

Each of the first four stamps in the 28-stamp ration book to be issued each citizen will be good for a two weeks period and each will permit purchase of one pound of sugar. After these four stamps have been used, O. P. A. may or may not alter the size of the weekly ration and the period of time covered by each stamp, it was explained.

Making public official instructions for registration of citizens and operation of the nation's first food rationing system, O.P.A. declared that persons possessing more than two pounds of sugar at the time of registration would be penalized as hoarders, while persons possessing more than six pounds would be permitted to register but would be denied ration books until their hoard is exhausted.

Individuals possessing more than two pounds but not exceeding six, will have one stamp for each pound torn from their ration books at the time of registration. Since these restrictions apply to individuals, a family of four, for example, could possess eight pounds without penalty.

No retail sales of sugar will be permitted during the week beginning April 27, preliminary to the consumer registration between May 4 and May 7.

Officials said actual rationing would begin some time during the registration period but that the exact date had not been set. Wholesale deliveries to retailers, or deliveries from refiners to industrial users will not be affected by the pre-ration "freeze" at the retail level.

Cautioning citizens to be careful of their ration books O. P. A. commented that "it may, at a later time, be necessary to use them for other commodities if they are rationed." The "other commodities" were not designated, but it was recalled that supplies of tea and coffee, for example, have been seriously threatened by the shipping situation.

**"Meanest Man" Is
In Action Again**

Latest candidate here for the dubious distinction of "meanest man" is the person of unknown identity who bursted one of the Lion Club's penny gum vending machines some time Saturday night at Dick Cashion's Service station on Tenth street.

Several of the penny machines for selling gum have been in operation here for several months and the funds received have been used by the club to aid unfortunate blind children. The machine which was bursted and robbed Saturday night contained about \$1.00 in pennies. The chewing gum in the machine was scattered on the sidewalk.

**Sheridan and Reagan
New Romantic Team**

All the world loves a lover, and that is as true in motion pictures as in life.

When two popular young motion picture stars, each with an enthusiastic following, are paired as a romantic team for picture purposes, the public is certain to greet the announcement with considerable enthusiasm.

Such a new team is the one introduced by Warner Bros. in the Liberty's Thursday and Friday's picture "Kings Row," in which Ann Sheridan has, for her "light o' love"—and vice versa—Ronald Reagan. This romantic pairing is being continued by the studio in a second picture, "Juke Girl," in which Miss Sheridan and Mr. Reagan will play the romantic leads.

This is good news to the two players as well as to the public, which likes its screen love played by attractive young people who seem to "match." Ann and Ronald undoubtedly match. In "Kings Row," they fairly sizzle!

Each player brings to this combination a wide following of friends and fans. Ann has grown steadily in screen stature until she is today one of the two or three most important feminine personalities in pictures. Forget her "oomph," if you will. Ann has become an actress as all the amusement-hungry world will see in "Kings Row."

Ronald Reagan achieved stardom on the studio roster with his memorable small role as George Gippy, the Notre Dame football genius, in "Klute Rockne, All American." A

**WITH THE
CHURCHES**

Wilkesboro Methodist
Church
Dr. J. C. STOKES, Pastor

Wednesday: Prayer Meeting, 8 P. M.; Choir Practice, 8:30.

Next Sunday: Church School, 10 a. m.; Quarterly Conference at Union, 11 a. m.; Youth Fellowship, 7 p. m.; Evening Worship, 8 p. m.

At Prayer Meeting we are now in the midst of a study of Dr. Garber's "The Methodist Meeting House." We cannot know too much about our church.

The Quarterly Conference has always been a great occasion in the Methodist church. Remember that our Second Quarterly Conference of this year meets at Union next Sunday morning. You are all cordially invited to hear Brother Gibbs preach at 11 o'clock, and to stay to the conference afterwards. It is important that the various officers of the church are there.

There will be no preaching here next Sunday morning, due to the quarterly conference at Union.

District Conference meets on May 13 at the West Jefferson Methodist church.

typical American type, lean, energetic and enthusiastic, Ronald Reagan has climbed to second place among the Warner stars in fan mail in the comparatively short time he has been in picture work. Here indeed is a pair of lovers that all the world will quickly learn to love. Here is romance fit to set the world to sighing. Here is beauty and youth and all the stuff of which life as we know it in America is made. This is a team to please all ages and all kinds of people.

If ever the cinema world was ready for a new team of screen lovers, this is the time, and these are the people. They have many tender, effective scenes together as lovers in "Kings Row" and their love story is a golden thread that holds "Juke Girl" together as splendid entertainment. They should go on, in this well-mated cinema pair, down the years playing love scenes and making audiences laugh and weep with joy and understanding of them.

BY BOARD 2—
**Questionnaires
Being Mailed To
4th Registration**

**Boards Also Making Prepar-
ations To Mail Occupa-
tional Questionnaires**

Wilkes draft board number 2 has mailed questionnaires to the first 100 order numbers of the third registration.

Questionnaires will continue to go out as rapidly as practical to men who registered February 16, a draft board official said.

Work Record Data
Meanwhile, both Wilkes boards are making preparation to mail out occupational records to all registered men in all registrations. These questionnaires will record the work experience of each man and will enable the government to count the nation's skilled workmen in all trades as well as its fighting manpower.

**Recommends Reins
As N. Wilkesboro
Postmaster Again**

Washington.—Representative W. O. Burgin announced Thursday he had recommended to the Post Office Department reappointment of J. C. Reins, as postmaster at North Wilkesboro.

He also sent forward the name of Miss Annie Clara Gibson, to succeed Mrs. Mary A. Roseman who will retire April 30 from the postmastership of Rockfish, Hoke county.

TERRACING

Although the Cleveland county terracing unit is working at full time, demand for its services are greater than can be cared for, reports assistant Farm Agent H. M. Stamey.

A new 4-H club with 18 members was organized in the Spring Valley community of Vance county, reports Neill M. Smith, assistant farm agent of the N. C. State College Extension Service.
