H. P. (Pat) ELLER
A Native Wilkes County Republican

To The Republicans Of Wilkes County

As you no doubt already know, I am a candidate for the office of Sheriff of Wilkes county on the Republican ticket, subject to the Primary which will be held on Saturday, May 30th.

I have been a Republican all my life, having been born into and reared in a Republican home, with connections which have consistently supported the Republican party for many years. Since reaching my majority, I have been active on behalf of my party, giving as far as I was able, of my time and means in order that my party and your party might triumph at the polls.

While time will not allow me to visit every Republican home in the county, or see every

one of my Republican friends in person, I do want to thank you for the encouragement you have already given me since I announced my candidacy, and I want to take this means of respectfully soliciting your active support and vote in the primary Saturday. I will greatly appreciate anything you may do on my behalf, and, if nominated in the primary, I pledge myself to make an active campaign for election—a campaign that will carry the banner of Republicanism into every nook and corner of Wilkes county.

Again thanking one and all for everything you have already done to promote my candidacy, and again soliciting your vote in the primary, I am,

Yours Very Respectfully,

H. P. [Pat] ELLER
