GIRL SCOUTS—

Bonds and Stamps Booth At Penney's

J. C. Penney company store in North Wilkesboro has provided a booth for sale of war bonds and stamps in the store and the booth will be operated during the month of July by four Girl Scout troops of the Wilkesboro. R. E. Gibbs, store manager, said today that the store will do everything possible to make July a banner month in sale of bonds and stamps as requested by President Roosevelt and Secretary of the Treasury Morgenthau. July is the first month of the billion per month sale of war bonds and stamps and the quota for Wilkes is \$61,300.
The very attractive booth located in the front of the store opened Wednesday, July 1, with Girl Scout troop 8, of which Mrs. Clyde Pearson is leader, in charge. Next week troop 1, with Mrs. Edd Gardner as leader, will be in charge and for the third week troop 6, of Wilkesboro, with Mrs. G. T. Mitchell leader, will do the selling. Troop 7, with Miss Jeanie McDiarmid leader, will have charge for the fourth week, July 22-29.
As an added inducement to the troops, the J. C. Penney company store here will give five dollars cash as prize to the group selling the largest amount of stamps and bonds.
Goal of the booth for the month is \$2,000.
