Miss Gwendolyn Hubbard Is Wed To Lieutenant Derr

Of much interest to a wide circle of friends was the marriage of Miss Gwendolyn Somers Hubbard, of North Wilkesboro, to Lieutenant John Melvin Derr, Jr., of Hampton, Virginia, and Fort McClellan, Ala., which was solemnized this evening at eight-thirty o'clock in the First Methodist church of North Wilkesboro, with Dr. J. C. Stokes officiating.

Chaste green and white made a lovely setting for the nuptials. Rev. Sloane Guy, Jr., of Wilkesboro, gave a program of pre-nuptial music. He was assisted by Miss Lois Scroggs, organist. Miss Scroggs played a medley of nuptial music after which Rev. Mr. Guy sang "I Love Thee"—Gregg, and "Because"—Harteloh. Lohengrin's and Mendelssohn's wedding marches were used as the processional and recessional, and during the ceremony the organist sounded muted notes of "Claire de Lune"—Debussy.

The bridesmaids were: Miss Peggy Somers, Miss Emily McCoy, of North Wilkesboro; Miss Ann Hutcheson, of Blacksburg, Virginia, and Miss Ann Folkes of Richmond, Virginia, classmates of the bride at Hollins College. Mrs. Fred Hubbard, Jr., sister-in-law of the bride, was dame of honor.

Usher-groomsmen were: Fred Hubbard, Jr., brother of the bride, of Chapel Hill, and North Wilkesboro, Hadley Hayes, J. H. Whicker, Jr., and Pat Williams, all of North Wilkesboro.

The bridegroom was attended by Captain J. G. Rawlings, of Lookout Mountain, Tenn., as best man.

The bride, who entered with her father, Major F. C. Hubbard, by whom she was given in marriage, wore a wedding gown of white lace and satin, fashioned with long torso length lace bodice with long sleeves pointed at the wrists and a graceful full skirt of satin forming a five-yard train. Her veil of bridal illusion fell from a tiara of orange blossoms to the length of the satin train. She carried a prayer book. Her only ornament was a lavelle her mother wore when married.

The dame of honor and the bridesmaids wore identical dresses of silver mist blue paper taffeta made with pointed bodice and sweetheart neckline, was fashioned with three-quarter length sleeves with morning-glory applique on full-gathered skirts. Their hats were of the same material as dress, made with pointed brim to frame the face. They carried arm bouquets of white roses and white summer flowers.

After the ceremony the bride's parents entertained the out-of-town guests and wedding party at a reception at their home, Riverby, in Wilkesboro. The bride's mother was dressed in aqua chiffon and wore a corsage of gardenias and the groom's mother wore a dress of blue lace with a corsage of pink roses.

Mrs. Derr is the only daughter of Major and Mrs. Frederick Cecil Hubbard, of North Wilkesboro. Major Hubbard was chief surgeon of Wilkes Hospital until he recently volunteered his services to the army medical corps. She finished in music at Hollins College in June where she made a brilliant record and won many awards.

Lieutenant Derr is the son of Mr. and Mrs. John Melvin Derr, of Hampton, Virginia. He graduated from Virginia Polytechnic Institute in 1938. For the past year he has been in the army and

is now Aide-de-Camp to Brigadier General Wallace Pulliam at Fort McClellan, Alabama.

Mr. and Mrs. Derr left for a trip to the Western part of the state, after which they will be at Fort McClellan, Ala. Mrs. Derr changed to a suit of white sharkskin, using brown accessories.

Guests from out-of-town attending the wedding were, Mr. and Mrs. B. C. Jones, Mrs. Jones being the sister of the groom; Mrs. W. S. Green, grandmother of the groom; and Mrs. J. M. Derr, mother of the groom, from Hampton, Va.; Captain and Mrs. J. G. Rawlings, of Lookout Mountain, Tenn.; Mr. and Mrs. A. B. Somers and Mrs. G. P. Dockery, of Elkin; Mrs. W. B. Chellis, of Huntington, West Virginia, Miss June Smith and Miss Mary Welch, of Gainsville, Ga., classmates of Mrs. Derr at Hollins College, Virginia.

Hubbard-Derr Wedding Party Extended Several Courtesies

To begin the week in entertaining for Miss Gwendolyn Hubbard, a bride of the week, Miss Emily McCoy was hostess at breakfast at the Wilkes Hotel Monday morning. Breakfast was served at 9:30 with covers laid for twelve, after which the bride was given a surprise linen shower. Miss McCoy, daughter of Mr. and Mrs. J. B. McCoy, was one of the bridesmaids in the wedding.

On Wednesday three courtesies were extended to Miss Hubbard and her wedding party, the first being the luncheon-bridge given at their home by Mrs. W. B. Somers and her daughter, Miss Peggy Somers, who too was a bridesmaid. In a festive setting, in which pink was the predominating color, a two-course luncheon was served at one o'clock, covers being laid for eighteen guests, consisting of members of the wedding party and out of town guests. The bride's table was centered with a heart made of pink rosebuds, while the place cards were in the same color note, and pink snapdragons and pink gladioli were attractively arranged about the room. At Miss Hubbard's place was a corsage of gardenias, and she also was remembered with a gift. Corsages marked the places of Mrs. F. C. Hubbard, Sr., and Mrs. J. M. Derr, mothers of the bride and groom.

The high score prize in the bridge game was won by Mrs. Fred Hubbard, Jr., and the bingo award by Miss Patty Somers. Judge and Mrs. Johnson J. Hayes and Mr. and Mrs. Hadley Hayes were hosts at dinner for the Hubbard-Derr wedding party and out of town guests at Judge Hayes' home in Wilkesboro at 7:30 o'clock. Mr. Hadley Hayes, son of Judge and Mrs. Hayes, was an usher-groomsmen at the wedding. Thirty-two guests were present. The bride's table was covered with a white satin cloth, and draped with white tulle, representing a bride's veil, which was caught at intervals with sprays of green fern and white rosebuds. Centerpiece for the table was a silver bowl of mixed flowers in the bridal colors about which white candles burned in two silver candelabra to cast a soft glow over the scene. At the bride's place was a miniature rolling pin tied with orange blossoms while those of her attendants were designated with silver horseshoes. Honor gift from the hosts to the bride was a large silver tray, and gift from Judge and Mrs. Hayes' children was silver in her wedding pattern.

Mrs. Joe Barber and her sister, Miss Frank Somers, aunts of the bride, entertained the Hubbard-

Derr bridal party and a few invited guests at a cake-cutting at Mrs. Barber's home following the rehearsal in the evening. In the dining room green and white motif was emphasized, while mixed garden flowers were used elsewhere in the home. Centerpiece for the dining table, which was spread with a white cloth, was a three-tiered wedding cake, which was cut to discover the traditional tokens of fortune. Glowing white candles added to the effectiveness of the decorative scheme. The ices were in molds of white centered with green hearts, and punch was served during the evening. Final pre-nuptial courtesy was the wedding breakfast given by Miss Toby Turner at the Wilkes Hotel Thursday. Guests numbering twenty-four, and consisting of the bride and groom's attendants and out of town guests, were served a three course breakfast at 12 o'clock. The bride was presented with silver in her chosen pattern.

AAA Program Increases Yields For War Needs

The widespread use of winter legumes and grasses, use of green manure and cover crops, application of lime and phosphate, and other soil-building practices of the agricultural conservation program have helped to prepare North Carolina farms for wartime production, according to G. T. Scott, chairman of the State AAA Committee.

Pointing to results of the program, Mr. Scott said the state average yield for cotton had been increased from about 250 pounds per acre during the 1928-32 period to more than 350 pounds during the past three years. Tobacco yields were increased from 685 to 980 pounds per acre. Corn, oat, wheat, and hay yields per acre have been increased 15 to 20 per cent, and the grazing capacity of pastures also has been improved greatly.

"High production yields cannot be overemphasized during this important agricultural year," Mr. Scott said. "Every acre of cropland must produce to its maximum capacity for our farmers to contribute their full share to the nation's war effort."

The 400,000 tons of limestone used by North Carolina farmers last year under the agricultural conservation program was about four and one-half times the 1936-39 average, and the amount of superphosphate was about six times the 1936-39 average. Both are furnished as conservation materials under the AAA program without an immediate outlay of cash.

Field demonstrations show that yields of crops like cotton and corn are greatly increased when preceded by a good growth of winter legumes which have been turned under to enrich the soil with nitrogen and humus. Phosphate and lime enable the legumes to reach sufficient growth to be turned under before plant-
