Allen Theatre Is On The March And In The Battle For Victory

It was with a sense of pride for the Allen Theatre that the U. S. September collectors, Cass Dancy, George L. Jones of the Greensboro Associated Station of W. R. R. and has been the source of some thousands of dollars in U. S. Bonds and stamps, with the good help of a very fine group of girls who so kindly rendered their services free. We expect to double our efforts and our sales during September, "Our Salute to Our Hero's Month", and our billion dollar month.

Every man, woman and child will be asked to buy a bond or a stamp in honor of our boys at the front, many of whom are giving their lives that we may still live in a free country. This is such a small thing compared to what our boys are giving.

So during this mighty drive for September, let's all, and this means everybody, put our shoulders to the wheel and push together onward and upward until we reach the mighty goal, one billion dollars. After all, buying U. S. Bonds is just a good, sound business investment.

So let's be Heroes on the home front and do a great job September. Let's make September, 1942, a month to always be remembered as "BILLION DOLLAR MONTH".

Call at our Theatre ticket office or "VICTORY BOOTH" at any time during show hours. We will be glad to serve you. We will also be glad to give you any information we can relative to buying bonds and stamps.
