THIS IS THE MOMENT!

1943 IS HERE . . .

Now is the time . . .

THIS IS THE MOMENT—for all of us to make a solemn pledge that nothing shall be left undone to win the war—and to win it quickly.

The Penney Company regards its more than 1600 stores, its more than 40,000 men and women associates, as a group of tremendous vitality and force in the war effort. In addition, helping shoulder to shoulder, we include the thousands of people who supply us with what we sell; who in mills and factories all over the land produce with only one thought in mind: the speeding up of the war effort. But most important of all, are the millions who are our customers. They know that no sacrifice is too great for our common cause—and they make it—willingly and gladly.

The Penney Company's job has always been to supply typical American families (people who live simply but well) with clothing and home furnishings at substantial savings.

Those American Families are now the Home Front! It is their job to send an ever-increasing avalanche of supplies to those who are fighting our battles on the far-flung war fronts of the world.

Those American families, that Home Front, can count on us to continue our efforts to supply the good American merchandise they must have to keep fit for their great task. We will continue, unremittingly, our efforts to secure their needs at savings: Today it is more than good sense and good management to save—Thrift and Savings are now an imperative duty.

This is the Penney Company's Statement of Faith, the Penney Company's Pledge of Cooperation for the Year 1942, and for Every War Year Thereafter.
