What You Buy With WAR BONDS

Rural Electrification has made great strides during the past ten years, bringing to thousands of farm homes the conveniences of their city brothers. Today, however, copper wiring, fixtures—all the materials which are required for rural electrification—are "out" for the duration.

The farmers of the nation, however, can start now buying rural electrification and all the equipment which goes with it through purchase of War Bonds. Your War Bonds today will buy rural electrification tomorrow and give you back \$4 for every \$3 you invest.

U. S. Treasury Department

Dr. Carolyn Taylor. Refreshments were served at the close of play. Visitors of the club were Mrs. M. B. McNeil, Mrs. Frank Crowe, and Dr. Taylor.
