Here come the paratroopers! Picture at right (top) gives a worm's eye view of U. S. army paratroopers leaping down from carrying planes during maneuvers in Alabama. They're landing in the most advantageous spot from which they may start an attack on a village. Below: Now, with a blast of machine gun and rifle fire, the troops advance toward the "village" they're to occupy. They watch for snipers' fire and booby traps. Having reached the outskirts of the village (upper left), each man chooses his own route of approach as the unit advances from house to house.

Lincoln Heights Wins Championship

In two thrilling games of the girls and boys finals for the championship of the Northwestern District Athletic Conference, the girls and boys teams of Lincoln Heights came out on top. The tournament was held in the Ridgeview gymnasium in Hickory on March 26 and 27. The girls came from behind to triumph over a strong team from Morganton, by a score of 30-25 in the finals. Previously they had defeated the Lenoir girls 27-18. This is the first championship held by the girls in the history of the school and they had to work hard for their well-earned victory. Miss A. E. Bowers is the girls coach. The boys team had to play and win two games before they reached the finals. They defeated the Lenoir boys 31-26, then downed Marion 33-24, and met Hickory in the finals. Although they had been defeated by the Hickory team twice during the regular season, the Lincoln Heights boys put up a grand scrap, and finally won the championship by a score of 22-17. This is the second successive year the boys have won.

Ferguson News Items in Brief

Ferguson, March 30.—Mr. and Mrs. Robt. Lee Foster came in from Norfolk yesterday to visit relatives here and at Wilkesboro. Mr. Foster is engaged in war work at the Norfolk arsenal.

This community is in receipt of the sad news of the recent death of Mrs. Robert Simmons who lived in Chula Vista, Cal. It will be recalled that Mrs. Simmons was the former Miss Mamie Barlow daughter of the late Mr. and Mrs. Sidney Barlow. She died March 21 and was 34 years of age. She leaves her husband, and two small children, Bobby and Peggy Ann, besides the following brothers and sisters, James B. Barlow of Patterson, Herbert of Pearl Harbor, Hawaiian Islands; Albert of Foley, Ala.; Stokes, of Chula Vista, Cal. She had a number of relatives here, besides many friends and former neighbors who will hear of her passing with much sorrow.

David Ferguson, son of Mr. and Mrs. V. H. Ferguson, of Richmond, recently visited relatives here and at North Wilkesboro. He has been attending school at Hampton-Sidney College, Farmville, Va., but has recently been inducted into the army and is now at Camp Lee, Va. He advised us of the recent illness of his brother, Wm. Ferguson of Norfolk, who has had pneumonia and also of the illness of his sister Miss Dorothy Ferguson, of Richmond, who has been taking treatment at a Richmond hospital. Both are now reported to be about recovered.

Chas. B. Edminsten, local lumberman, recently purchased the home place of the late Gaither Walsh and is now living there.

We understand that L. Fred Walsh was the final and successful bidder on the W. E. Winton farm on Beaver Creek.

There are several who deserve credit on Red Cross work in our community, but the outstanding solicitors are Mrs. Genio Walsh, who secured 35 new members in the recent drive, and Prof. Settle who canvassed the school and Elk township with decided success. About \$200 or more has been sent in from Elk and Beaver Creek townships to Rev. John W. Kincheloe, Red Cross chairman of North Wilkesboro.
