They Give Lives, You Lend \$\$\$

More Buyers Needed To Help Raise Bond Quota

"They Give Their Lives—You Lend Your Money", is the slogan for the Second War Finance campaign now in progress.

Latest reports were that a total of \$640,841.75 had been raised in Wilkes since the campaign officially opened on April 12, but that amount includes the bonds purchased by the two banks for their own accounts and the goal has not yet been reached.

The goal for Wilkes county, exclusive of the purchases by the banks, is \$374,100, and the amount sold to corporations and individuals is still far short of that figure, according to W. D. Halfacre, War Finance Chairman.

The large investors have already bought during the campaign, and it is now up to those who can buy the smaller bonds to purchase freely and make the remainder of the county's quota.

An urgent appeal is made to all who can buy any denomination bond, from \$18.75 up, to go at once to their bank or postoffice and make the purchase in order that the county may reach its quota and that the nation may have the money to provide fighting men with the implements of war for early and complete victory over the forces of evil.
