Charlotte. April 14 .--- "In a 100 er cent war we cannot stop at 10 or 15 per cent in war bond purchemist, Efectical engineer, In-dustrial engineer, Time study enbases," said John Paul Lucas, Jr., State Director of Information ginzer, Safety angineer, Vocation-al training teacher (machine of the Victory Fund committee for the Second War issen drive, shop), Vocational teacher (elecin an address at the Civitan club tric motor repair), Vocational Inncheon yesterday. Men are required not only the take trenches and sink snemy ships, but also to buy bonds. 'In the Second War Loss drive to say 13 billion dollars of sovernment lancheon yesterday. the Second War Loan arver to say 15 billion dollars of government loans," he continued, "eight bil-ions must be sold to non bank in-vestors if we are to keep our fis-cal stability. It is not wholl, a matter of business, but it is rath-er a serious inquiry into what this er a serious inquiry into what this

war means to us as individuals." The War Finance committee in North Carolina, with the aid of our newspapers and radio stations, plans to make everyone aware of the drive during the month of April. Mr. Lucas stressed the point that everything over and above absolute essentials must be invested in the Allied cause.
