# Important Announcement — for — 4-H Boys and Girls Of Wilkes County

We are pleased to announce to you that we are going to work with you this summer; we are going to try and help you, too. We want you to do lots—probably more than you have ever done—tried to do before. But this is a different day from what we have seen as yet. There is much for us to do, and we should get busy about it.

Our brothers, cousins and uncles are on the front doing their best. They are doing their best for US. Let's let them know that we back at home are doing our best to grow food, that they can carry on and continue doing the good job they are doing.

We hope this announcement will please you. We are going to give one \$100 bond, one \$50 bond, one \$25 bond, and ten \$10 War Stamps, making a total of \$275.00 worth of war material now and money for your schooling, or to help you get started out in life tomorrow. Which prize will you pick? Just now the way these prizes will be handed out is not known—that is being left up to the leaders of each group. They have been asked to express their opinion on this. We hope we will be able to tell you soon.

Let us suggest that you get busy in your garden, and make it shine and do no less than your best. Don't put off until tomorrow the job you should do today. You will have another one then.

We want you 16,000 boys and girls of the 4-H Club to enjoy this drive throughout. To do this you will have to become a part of it. Can we count on you in this project? And if we get the co-operation of all concerned we will make this a wonderful success—full of lasting joy and pride.

Respectfully yours,
