Relieved, She Buys Retonga For Friends

It Is A Great Joy To Be Able To Go Shopping And Attend Church Again, States Happy Mrs. Bangle. Tells Of Her Case.

One of the most enthusiastic women in her section about Retonga is Mrs. James A. Bangle, of 152 5th Ave., Greensboro, N. C. After finding relief in her own case, Mrs. Bangle has supplied Retonga to many friends. Happily discussing her own case, Mrs. Bangle states:

"For years I was plagued with a weakened, nervous, rundown feeling, and my arms and legs ached so terribly that after being up an hour or two I felt so exhausted and uncomfortable I would have to lie down. I had no appetite and the little I ate caused severe gas pains. I became almost afraid to eat. I was forced to rely on laxatives for elimination. My nerves were on edge, and I felt so weak and wretched that I could not go to town or even attend church.

MRS. JAMES A. BANGLE

"Retonga was a blessing. I am so greatly relieved that I enjoy my food, my nerves are calm, and I don't have to take strong laxatives. The aching and throbbing muscles are relieved, too. It is a great joy to go shopping and attend church again. Retonga is grand!"

Retonga is a purely herbal gastric tonic combined with liberal quantities of Vitamin B-1. Accept no substitute. Retonga may be obtained in North Wilkesboro at Horton's Drug Store.—Adv.
