### NATIONAL WAR FUND DRIVE IS UNDER WAY IN COUNTY NOW

OFF TO A GOOD START BUT THE BIG JOB LIES AHEAD

National War Fund campaign in Wilkes is off to a good start but much remains to be done before the goal of \$12,000 can be reached, T. E. Story, chairman, said today.

Some progress has been made in soliciting initial gifts and individual canvasses of some sections is under way. Mr. Story said that reports to date indicate that the appeal is receiving encouraging support but emphasized that a big job lies ahead for all the workers.

In Wilkes the campaign to raise the National War fund for many service and relief organizations is being combined with the annual drive to raise funds for promotion of Boy Scout and Girl Scout work. Of the \$12,000 to be raised, \$2,500 will be used in the county in expanding Boy Scout and Girl Scout work and \$9,500 will go into the National War Fund.

In making the appeal for liberal donations to the combined fund it is pointed out that this is a "give once for all" request and that the public will not be called on for relief and other donations until the Red Cross fund is to be raised, which will be in March next year.

In organizing the county for the National War Fund campaign the community divisions used by the extension service were used as a basis with a chairman, a committee and list of workers for each community. Through this organization it is hoped that practically all the people of the county will be contacted and will be given an opportunity to have a part in putting Wilkes over the top.

Leaders in this campaign point out that Wilkes county has more than reached its assigned quota in every war effort campaign and urge all the people to make sure that Wilkes will again accomplish her full share.

### Clegg Davis Killed In Crash of Plane In Canada, Not Africa

St. Sgt. Clegg Davis was killed in an airplane crash in Canada and not in North Africa, it was learned here from members of his family.

Representatives of The Journal-Patriot were misinformed last week when they received news that he was killed in action in the North Africa area of war operations.

St. Sgt. Davis' body was interred in Canada.

### Much Sentiment Here For Bus Line

Parkway Bus Co. Seeking Franchise For Line To Lexington

Much interest has been taken locally in the establishment of a new bus line between this city and Lexington via Harmony and Mocksville. Both the Kiwanis Club and the Lions Club have endorsed the proposed line and many people have shown much sentiment for the proposed line, which is considered to be badly needed.

The Parkway Bus Company is asking the state utilities commission for permission to operate the line which will operate fifteen miles down 115, then over to Harmony and Mocksville to Lexington where connections will be made with the Greyhound and Carolina Coach company buses for Raleigh and points east.

E. O. Woodie, president of the Parkway Bus Company, expressed hope today that the franchise (Continued on page eight)

## How To Get War Ration Book Four

Some confusion has arisen about the procedure for obtaining War Ration Book 4, which is now being distributed through the schools.

Today and Tuesday were set aside for sending by students to the schools to get book 4. The application forms which were distributed may be sent by any student, together with ration book 3 for each person to receive book four, today or tomorrow.

Wednesday and Thursday afternoon from two to five o'clock at the schools have been designated as the dates for persons to get book four who were unable to send by students. All are warned to get their books at the schools on the designated dates.

Staff Sgt. W. F. Ingram, of Camp Campbell, Ky., and Mrs. Ingram, have been spending several days with relatives at Teylorsville and in North Wilkesboro.

## Today's War News

From the three major war fronts today came encouraging reports of continued Allied gains.

In Italy the American Fifth army captured an important road junction on the way toward Rome after a bitter battle in which Nazi losses were heavy. On the eastern side of Italy the British Eighth army made new gains and Allied airmen continued to rain destruction on enemy supply lines immediately north of the fighting front.

RUSSIANS ADVANCE—

Russian troops made advances in some sectors as far as 40 miles during the past 24 hours, and gains were spectacular in the fight to oust Germans from the Crimea sector on the southern end of the front. Devastating attacks were also made by Russian troops at the great bend in the Dnieper river.

MORE PLANES HIT—

In a heavy raid on Wewak, a New Guinea base held by the Japs, American airman destroyed

23 Jap planes, bringing the total of Jap planes destroyed at that point to 500 in the past 30 days. Many Jap bombers were destroyed on the ground and several enemy fighters which tried to intercept American planes were hit.

MORE PLANES HIT—

British mosquito bombers raided military objectives in the German Ruhr valley last night without the loss of a plane. American Maudrauder planes blasted three Nazi airbases near Paris. American fortresses operating from Mediterranean bases bombed German war industries in Austria.

## EXCELLENT PROGRAM TO HONOR YOUNG FOOD PRODUCERS TO BE CARRIED OUT; PRIZES OFFERED

Annual 4-H Club Achievement Day will be observed with a full day's program on Friday, October 29, for the 4-H club boys and girls of Wilkes county.

The event Friday will be especially in recognition of the wonderful record the boys and girls have made in production of Food For Victory this year.

During the early spring County Agent J. B. Snipes, Assistant Agents H. C. Colvard and James E. Rollins, and Mrs. Annie H. Greene, home agent, visited all the larger schools in the county and mobilized the boys and girls for production of food and feed.

1,600 TAKE PART—

So successful was the mobilization that more than 1,600 signed up to carry out projects. The extension workers report that the boys and girls have done an excellent job, and that their activities have been a big factor in the record production of food and feed in Wilkes this year.

In recognition of this fine work a most enjoyable full day program has been arranged for Achievement Day, which will open at the courthouse at 10:30 a. m., Friday.

EXCELLENT PROGRAM—

Among those who will appear on the program are the following: J. B. Snipes, county agent; Rev. A. C. Waggoner, pastor of the First Methodist church of North Wilkesboro; Rev. Howard J. Ford, pastor of Wilkesboro Baptist church; W. H. Trentman, vice-president of Occidental Life Insurance company, who will award \$275 in war bonds donated by that company for the best victory gardens; Dr. F. C. In the afternoon a full program of games and athletic contests will be carried out on the athletic field. This program has been arranged to furnish entertainment for every boy and girl attending and should be very enjoyable.

The detailed program for the day appears elsewhere in this newspaper.

ALL NAMES LISTED—

In the second section of this newspaper, which is dedicated to the 4-H Clubs, will be found a complete list of the 1,600 boys and girls who were mobilized through the schools for food and feed production this year.

Parents and friends of all the boys and girls are invited to accompany them to the Achievement Day program.

## Thanks People For Cooperation In Vaccinations

Dr. A. J. Eller, county health officer, said today that the task of administering vaccinations for smallpox to school children is almost completed and that the health department received wonderful cooperation from the people.

Dr. Eller said "The Wilkes county public health department desires to thank the people, and especially all the school population, for their wonderful and wholehearted cooperation in the campaign for immunization against smallpox. We know that if our people are immunized against smallpox we are safe from an epidemic of smallpox, and the same thing can be true of diphtheria. If every child were vaccinated against diphtheria there would be no cases of the disease or deaths from it. We do not have typhoid now because people are vaccinated and more sanitary living conditions have been brought about."

### Returned

Rev. A. C. Waggoner, who was returned to the pastorate of the First Methodist church of North Wilkesboro by the Western North Carolina conference in session last week in Statesville.

## FEW CHANGES ARE MADE IN METHODIST PASTORATES

Waggoner, Shinn and Bumgarner Returned; Brawley Pastor At Moravian

Western North Carolina Conference in session last week at Broad Street Methodist church in Statesville made but few changes in pastorates in the conference.

Three of the four Methodist pastors in Wilkes were returned to their charges. These were: Rev. A. C. Waggoner of the First Methodist church of North Wilkesboro; Rev. Fred H. Shinn at Wilkesboro and Union; and Rev. J. L. A. Bumgarner for the Millers Creek charge.

Rev. S. J. Brawley was assigned as pastor of the Moravian Falls charge, succeeding Rev. J. M. Greene, who was sent to Union Grove.

The conference eliminated the Elkin district, placing some of the churches in the Winston-Salem district and a greater number in the Statesville district. The churches in Wilkes are now in the Statesville district, of which Rev. J. S. Hiatt is district superintendent. (Continued On Page Four)
