We are happy to remind you that thousands of our members are enjoying full protection at all times, never allowing quarterly assessments to slip "past due" or put them in the position of being unprotected... if death should come!

And even the most faithful of our members need this reminded at the proper time, and that is why we are giving it—to prevent loss of benefits through neglect to pay quarterly dues on time.

We urge all members to take immediate action in keeping their benefits in good standing, and there is no better time than NOW to pay up assessments due October 1.

Don't go beyond the deadline and lose your protection!

**A Confederate Veteran Writes Home**

"Camp Near Orange Courthouse, Va.  
"January the 22, 1864.

"Dear Father: I once more take my pen in hand to inform you that I am well as common at this time and I hope when this comes to hand it will find you all well. I received your letter a few days ago dated the 1st and seventh of this inst. which gave me greatest satisfaction to hear that you were all well. I have nothing very interesting to write to you. The soldiers in camp are generally well. I was sorry to hear of our county boys being shot at home. I think they had better come here and run the risk of the Yankees.

"Times are hard here and everything very scarce. Our rations are so light we are compelled to buy or do worse. I will give you the prices of some things that we have to buy. Flour is selling at fifty cents per pound; corn meal, fifty cents a quart; peas, one dollar and twenty-five cents a quart; butter, four dollars per pound; milk, fifty cents a quart, potatoes, fifty cents a quart, molasses, six dollars a piece; honey, five dollars a pound; dried apples, one dollar and twenty-five cents per quart; chickens, three dollars a piece; eggs, three dollars per dozen. I think this country is about eaten out so we cannot buy much more. I don't want you to take any more Confederate money for what is coming to me. The old bank money is worth ten dollars to one. I think I will come home this spring on furlough. I want to see you all very bad. I want you to write often and let me hear from you all. Write where Uncle Ralph Holbrook's boys are. So I will close for this time. I remain your loving son until death.
