Navy Day Speech By Judge Hayes

Speaker Says Navy Is Our Bulwark Of Freedom Mightiest Factor In War

North Wilkesboro Kiwanis club thoroughly enjoyed a Navy Day program Friday noon.

Day: "Anchors Aweigh", and 'Eternel Father, Strong to Save' He then presented Judge Johnson and interesting talk on "The Navy our navy now has more than 2.-000,000 personnel, that we have more sea planes than ships, there being 15,000 ships and 18,000 planes. In addition there are submarines and other sea going equipment.

The speaker said we are prove of our Navy and justly so. It is our bulwark of freedom. The navy is and will continue to be a consideration in the peace to be written. It will be the navy in the days shead that will determine whether the peace that will be concluded will be enforced; therefore we owe great allegiance to our navy.

Judge Hayes said in order for us to have lasting peace, we must recognize the rights of others; we must leave off our own selfishness as such is not divine. Wa need not expect world peace to come cheap. Only God knows how much more we shall pay in means and blood itself for victory and then the peace; but we shall confidently look to that end.

The matter of sponsoring a cout troop in the Woodlawn secion was brought up from the di ectors meeting where it had been approved and was presented to the club by Kiwanian Bill Sturdi vant and by motion the club voted to sponsor such a troop where Joe and the president appointed the following troop committee: Carl Van Deman, A.
