\$1.50 in the State — \$2.00 Out of State

\$4,000 Needed To Make War Fund Goal

\$8,000 Reported In; All Urged To Give All Possible

National War Fund contributions in Wilkes county to date total approximately \$8,000, which is two-thirds of the \$12,000 goal, Chairman T. E. Story said today.

The combined National War Fund, which includes many service men and war relief agencies, calls for \$9,500 from Wilkes and in order to eliminate a local drive for funds \$2,500 was added for Boy Scouts and Girl Scouts, making the total \$12,000.

Chairman Story said that some of the rural workers have made their reports to the central organization but he urged that they continue to receive contributions and to contact any people who were missed in the first canvass.

He also urged that the workers who have not reported make every reasonable effort to call on every person who can make a contribution in order that the county may go over the top in this important effort.

Pointing out that the National War fund eliminates many calls for contributions, Chairman Story said that the people may be assured that liberal contributions in this campaign will make it unnecessary for them to be canvassed often for funds for war relief and related agencies.

In order that the quota may be reached, all workers are urgently requested to complete the canvass of their respective communities within the next few days.

Attention is called to the fact that persons who are not contacted by workers may send or mail their contributions to Chairman Story, or to W. D. Halfacre, treasurer of the fund, at North Wilkesboro.

Thomas Whicker Now Eagle Scout

In a recent meeting of the Boy Scout Court of Honor for the Wilkes district, the Eagle Scout award was presented to Thomas Austin Whicker, son of Attorney and Mrs. J. H. Whicker, Sr.

The program opened with the impressive flag and Bible ceremony by young Whicker, Pat Hunt and Tom Nelson. This was followed by the Investiture Board ceremony in which 12 Scouts lighted candles representing the parts of the Scout law as follows: Trustworthy; loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave clean and reverent.

Three Scouts represented the three parts of the Scout oath as duty to God, country and self.

Eagle Scout Whicker's father read a letter from national Boy Scout headquarters and presented the membership card as Eagle Scout to his son.

The program closed with an inspiring talk by W. E. Vaughan-Lloyd, and the presentation of the Eagle badge to Eagle Scout Whicker by his mother.

JAPS' GUINEA BASES HIT IN A MIGHTY RAID

P-40 and P-39 fighters swept the airstrips at Alexishafen shortly after dawn, leaving fires at the expense of one craft shot down by intense anti-aircraft opposition. Then came waves of Liberators at medium height, followed by Mitchells at tree-top heights, to give the enemy a thorough going over.

A strong force of P-47's and P-40's was on hand as a protective cover, but not a Japanese plane was in the air.
