**Salvation Army Will Send Boxes To Service Men**

The annual Christmas effort of the Salvation Army is already underway. Captain G. A. Hyde, the officer in charge of this area said today that Christmas boxes will be sent to the boys in the armed forces of the U. S.

"If you have a boy in service or know of someone and would like us to remember them please send the name with complete address to Captain G. A. Hyde, post office box 463, Statesville, N. C. Names must be in our hands before December 1st in order to guarantee delivery before Christmas. We want your boy to know that The Salvation Army back home is thinking and praying for him daily.

"As our workers call upon you for your much needed donation give cheerfully as God has given unto you so that these boys may have a Merry Christmas even though they are away from home. We know that you will help us put over this big but worthwhile project. Make all checks payable to The Salvation Army.
