Which is the most fattening food—a big juicy apple, a large orange, a medium sized baking powder biscuit, or a medium sized baked potato? The home economics says that "they are all the same".

Money can fight, buy bonds.

An outstanding record of accomplishments for the current year by the Home Demonstration clubs was revealed in the recent Achievement Day gathering of Home Demonstration club women in this city.

A very interesting program was given by the women of the various clubs. All club presidents gave a splendid report of the work accomplished this year. One of the clubs had not only carried out their plan of work but had raised \$466.04. Some of the money was spent for needy families in the community, soldier kits, Red Cross drive, addition to the church, and \$172.01 was donated to the school lunch room. This particular club made 52 hospital gowns, and seventeen sweaters. Another club that was represented had made 100 sweaters for the Red Cross. Ninety-five of these sweaters were knitted by two of the club members.

The Home Demonstration Clubs in every community have proved to be most worthwhile. These women sponsor all local work in the community and every community should be proud they have such a fine organization.

There was one club represented that had bought \$7,700 of War Bonds. They have given the church \$153.80, had turned in over 1400 pounds of scrap iron, 325 pounds of rubber, 20 pounds fat, given \$136.80 to the Red Cross Fund, made 25 hospital gowns and canned a total of 8,950 quarts of fruits and vegetables.

A prize of \$5.00 was awarded to Mrs. Ralph Swanson of the Boomer club for having the best Victory Garden. The garden contest was sponsored by the federation. Each woman kept an individual garden. Then each club turned in their best garden record. There were many good gardens in the county.

A prize of \$5.00 was given to the Champion Home Demonstration Club for having the most publicity in their club during the year.

Mrs. T. W. Ferguson led the men and women in the recreation program which was enjoyed by all. The club women and their husbands don't know what they missed by not being at this meeting. Many of the women say they hope to have even a larger attendance next year.

Refreshments were served at the end of the recreation period.
