TWO MINDS AND AS MANY DOUBTS

Red Skelton and Ann Rutherford are in love and in trouble in M-G-M's "Waisting in Brooklyn", riotous comedy scheduled to open Friday and Saturday at the Liberty Theatre. Pursued by a notorious gang, the two principals seem to be uncertain which way to go to escape a pack of gunmen. Ann thinks it should be to the left, while Red just thinks!

AMERICANS

And Friends of Americans

Because of the sacrifices of American youths and their willingness to serve, an American Christmas is again possible. Without their efforts Christmas this year would be of small importance.

It is fitting and appropriate that we remember them at this glad season of the year. At the same time remembering our friends here at home who have also made tremendous sacrifices in order that the American way of life may be maintained. We wish you all the best possible.

A FRIENDLY WORD

The value of a friendly word at Christmas or at any other time carries a significance unsurpassed. It adds to the feeling of satisfaction that comes from the knowledge of having friends during times such as those we have experienced during the past months. A friendly word is something that is indelibly impressed in the minds of people who have endured sacrifices and difficult times.

It is with full knowledge of the real meaning of a friendly word that we express our Christmas Greetings to you. When we say, "Merry Christmas," we want you to accept it as a word of cheer and goodwill. May all the blessings of a glorious Christmas be the good fortune of our many friends.

Santa Has Traded His Reindeer

In this day and age old Saint Nick has gone all out in his efforts to please his friends. In some distant parts of the globe he may even supplant his reindeer and sleigh with a jeep . . . or a tank . . . or a P-40 . . . but knowing him like we do, we know that he will find a way to bring the true spirit of Christmas to all.

It is a comforting thought and a blessing to know that regardless of the unhappiness and disappointments which have been the experiences of many the past few years, there remains the traditional feeling of good cheer at Christmastime. Let each of us be conscious of the things that are expected of us this present season. Let each of us spread cheer and happiness and good fellowship with all those whom we come in contact to perpetuate the glories of an American Christmas.
