CHRISTMAS GREETING

It can't be an old-fashioned Christmas—not with so many of the boys away from home. But we'll keep our Christmas, all of us, with the boys in mind and a prayer for their health and happiness.

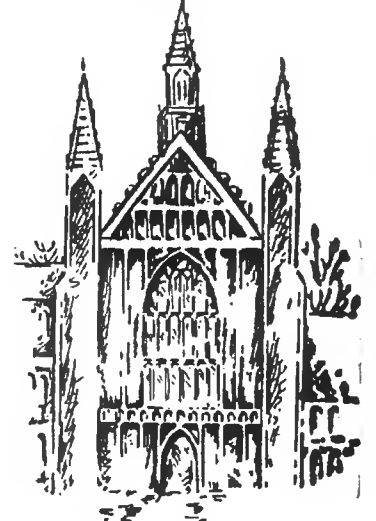

We're thinking of you, our customers at this good time. You've understood our problem—with 1,250 fellow employees in uniform, with little new equipment and urgent conservation measures set-up by our government. Your co-operation has helped make possible better service.

Happiness and success to you all—now and in the New Year!

The Christmas Spirit FINDS ITS SHRINE IN America

☆ Christmas this year in America has been made doubly significant by the glorious sacrifice of the youth of our Nation. Somehow we believe it fitting and appropriate to remember them especially, in our Christmas Greetings. Without their efforts Christmas this year would be empty indeed. Because of their sacrifice and their willingness to serve, an American Christmas is again possible.

Season's Greetings to the youth of America, and to their loved ones and friends. May the coming year bring Peace and contentment for all.
