DO THIS! To relieve discomforts,
one of the best things you can do
is put a good spoonful of home-
tested Vicks VapoRub in a bowl
of boiling water.

Then feel the wonderful relief
come as you breathe in the
steaming medicated vapors that
penetrate to the cold-congested
upper breathing passages! See
how this soothes irritation, quiets
coughing, and helps clear the
head-bringing grand comfort.

FOR ADDED RELIEF ... rub throat,
chest and back with VapoRub at
bedtime. Vicks VapoRub works
for hours—2 ways at
once—to bring relief
from distress. Try it.
