## Winston-Salem Fair Oct. 2 to 6

In planning the Winston-Salem and Forsyth County Fair of 1945, which takes place October 2, 3, 4, 5 and 6, recognition has been given the fact that the restrictions of war time have prevented many persons from enjoying this type of entertainment and recreation in recent years.

Therefore every effort has been made to assure a fair of unequalled interest and enjoyment. For instance, the program of acts in front of the grandstand are rated as among the very best obtainable, and include numbers that have been widely acclaimed in various entertainment centers.

Outstanding event of each evening will be the "Fantasia of 1945," featuring the "Broadway Rockettes," a gorgeously costumed chorus appearing in five pageantry routines. Special scenery and lighting effects will accent the entertainment by soloists, comedians and pretty girls. This number will be presented five evenings.

The World of Mirth is presenting the midway, including 50 rides and shows, with new and thrilling amusement devices and attractions.

The exhibits also promise to exceed previous years. Agricultural, livestock, poultry displays, will demonstrate the high type of production on Piedmont North Carolina farms, and the ladies will find much of interest in the displays of cooking and needle work. A rabbit show will be a feature of this year's fair.

There were only three movie theaters with sound equipment in the Belgian Congo in 1944.

Critics are proclaiming THE SOUTHERNER as an "Honest Movie". Time Magazine says it is worth a dozen of the usual Academy Award Winners!

THE SOUTHERNER is honest because it has a real story to tell; because its characters live on the screen; because their emotions overflow from the screen into your heart!

A great book, "HOLD AUTUMN IN YOUR HAND", has inspired great performances. There are laughs—but this is no frivolous film; there is thrilling excitement, but this is no cheap melodrama; there is romance, but this is no frothy love story.
