

Millers Creek School Patrons In Meeting

An interesting meeting of parents and teachers was held at Millers Creek school Friday night. A large number of parents were present and seemed to enjoy the program. The program included a demonstration of the New Movie Projector recently

purchased by the school. The film shown was one which illustrated how the Movie can be used to advantage in classroom instruction. After the showing of the film a brief discussion was lead by P. W. Greer, Principal of the school. During the discussion, it was suggested by several parents that a similar meeting be held once a month.

After the discussion a social hour was enjoyed by all. The games played were under the direction of Miss Anne McNeil, Mrs. Beatrice Eller, and Mr. Van Caudill, with Mrs. R. S. Johnson playing the piano. Those winning prizes in the contests were Mrs. Tom Hayes and Mrs. M. F. Bumgarner. At the conclusion of the program light refreshments were served in the school lunchroom.
